Kwajalein Dist.

3 (Land Titles Investigating Commission)

(a) In order to fully comply with Trust Territory Policy Letter, P-1., FF12 (1) A 1/(001:ss) Serial 630 of 29 December 1947, the Civil Administrator, Kwajalein, has invited the two paramount chiefs (Jamita and Lowjore) to come to Kwajalein for a conference on the land policy and other information regarding claims, ownership etc. Since the records of this unit reveal little in the way of past investigations, it is believed that much benefit may come from this conference. These conferences will be held in early April.
