Colonel C. W. Pence
442nd Combat Team
Camp Shelby, Mississippi

Dear Colonel:

I received today a complimentary copy of the Album of the 442nd Combat Team. I read it with a great deal of interest. Staff Sergeant L. Mizuno and his staff deserve much credit for the workmanlike job they have done. The pictures, arrangement and comment all are good and I could not find a typographical error in the entire book.

It is in keeping with the many other excellent performances that your Command has rendered and I thank the thoughtfulness of the Team for having sent the book to me.

Sincerely,

(SIGNED) JOHN J. BOGERT
