

B (Health and Sanitation)

1 April 1947

Truk Dist.

2 (USNMG Leprosaria)

USNMG Leprosaria, Insane Asylums and Orphanages.

There is a leprosarium on Salet Island, Truk Atoll. Census - two males---Casimiro - age 23 and Marion age 45.

The leprosarium is self-supporting. No treatment is furnished but routine visits are made for inspection and for furnishing cigarettes, etc., for the two lepers.
