

A (Rehabilitation)

1 Jan 1947

Kwajalein Dist.

4 (Claims)

The Officer in Charge of the Coast Guard Loran Station on Kwadak Island, Kwajalein Atoll, was advised of the native claim pending for loss of property on that island. He is investigating the files and gathering information on the subject and will report his findings. The officer he relieved had been appointed by Comargils as Claims Commissioner but apparently no action had been taken until Military Government reopened the case.

No other claims are pending.
