CLUB 100 MINI REUNION

FOUR QUEENS HOTEL LAS VEGAS

Now that the excitement of Christmas and New years is over, we want to remind you of the other exciting event which we all look forward to. The MINI REUNION will be held at the Four Queens in Las Vegas on September 13 - 22nd, 1994.

Those who attended the past reunions will agree that, as successful as each one has been, it gets better each year. So we urge you not to miss out on this one.

Please turn to the last sheet in this issue for further information and for the registration form. Clip and mail in the form as soon as possible. Remember last year that some of you were too late and could not go with us. Don't let that happen again this year!

CONGRATULATIONS TO THE SONS AND DAUGHTERS WHO FINALLY RECEIVED THE ALL IMPORTANT 501-C3 FROM THE I.R.S. This means that the Sons and Daughters now come under a tax free non profit charitable organization status (retroactive to June, 1992).

They will be sponsoring their second annual One Puka Puka Achievement Scholarship and Essay Contest. Please see the article by the Sons and Daughters for more information regarding application for the scholarship and essay contest.

**BRUYERES 50TH ANNIVERSARY REUNION TOUR**

This European tour, originally initiated for the Southern California Club 100 group centering around the Bruyeres 50th Anniversary Celebration, is now being extended locally to any Club 100 member, spouse or widow. The dates of this tour are October 13 to the 31st, 1994.

There are already 46 people who have paid their deposits, and because of the interest shown locally, we have decided to open this up to 44 more people who would like to join our Mainland buddies of the 100th, 442nd and 522nd at this Bruyeres reunion.

This should not interfere with your plans to attend the Mini-Reunion in Las Vegas as you will have 3 weeks in between to rest up. And, maybe you will be lucky enough to hit a big jack pot or at least enough to pay for this trip!

If you are interested and wish to see an itinerary, please call Ray or Aki Nosaka at 737-4864.

**TAPS**

We were saddened to hear from daughter, Sandra, that her mother, Mrs. Barbara B. Grandstaff (wife of Capt. George H. Grandstaff) passed away on August 27, 1993. Mrs. Grandstaff succumbed to cancer of the lung.

**KAUAI CHAPTER NEWS**

**By Tsugi Takemoto**

No one seems to want to take over. I am freezing although I know it is warmer here than on the Mainland and I would rather be here than in California where they had the earthquake and the freeze that is over the Eastern part of the country.

Poor Larry. He was the one who got the phone calls when I failed to get all the names of the marchers in the PPP last month. So here they are: Toku Kano, Masao Yotsuda, Kazuma Nishiie, Hakaru Tao, Kelly Fujimoto, Maxie Mukai and Tommy Matsushige in addition to Larry Sakoda, Bunkichi Matsuyoshi, Wally Takemoto, Kazu Senda, Muggsy Morikawa, Fusetsu Miyazaki and Jack Hada. Now I can apologize. Next year Kauai hopes to have a bigger parade and in 1993, the 100th had the largest number of participants. Larry said they won't come out if half of the names are not mentioned.

I didn't get the whole story, but Chizue Teshima broke her left wrist while picking tangerines. She has lots of energy, but she forgets that all of us are getting older and we have to slow down.

Our sincerest condolences to Matsue (Muggsy) Morikawa whose mother passed away recently at the age of 94.

Reconsidered. That is what Kungo Iwai did and resigned the presidency of our group. We shall start all over and have the first meeting of the new year on Sunday, February 13, 1994 at the Wailua Marina Restaurant, at 12 noon. All the Bowl Games will be over so those who can't make it will have to find some other excuse. Ben Morimoto is the nominating chairman and this time we don't need any mind changing.

If the Board of Directors is looking for ways to save money, maybe a Puka Puka Parade every other month might be considered. I don't know whether other chapters have problems getting news each month as I sure do.

Editors note: Yes, Tsugi, other reporters have the same problem, and if the members don't kokua by sharing any news with their reporters, we will have to consider printing the PPP every other month.

**BAKER CHAPTER NEWS.....By Evelyn Tsuda**

Until we can find a replacement for Yasu Takata, I will try to fulfill the duties of the Baker Chapter reporter. However, to make the job easier, I am asking all members and their spouses to fill me in on any newsworthy event--PLEASE!

The new year is upon us and I wish you all good health and happiness throughout the year. I am sure many of you have made the proverbial New Year's resolutions and most of them relate to your diet, exercise, and leisurely pursuits. However, there is one resolution that may have slipped your mind and I want to share this poem as a poignant reminder:

**THE TIME IS NOW**  
If you are ever going to love me,  
Love me now, while I can know  
The sweet and tender feelings  
Which from true affection flows.  
Love me now While I am living.  
Do not wait until I'm gone  
And then have it chiseled in marble,  
Sweet words on ice-cold stone.  
If you have tender thoughts of me,  
Please tell me now. If you wait until I am sleeping,  
Never to awaken, There will be death between us,  
And I won't hear you then.  
So, if you love me, even a little bit,  
Let me know it while I am living  
So I can treasure it. (Author unknown.)

On December 11, 1993, 115 veterans of the 100th, 442nd and MIS were honored at the United Okinawan Assn. Bonen Kai. They each received a certificate and a copy of a video titled, "A Legacy of Honor". Baker Chapter members so honored numbered 13. They were Bernard Akamine, Seitoku Akamine, Takeo Azama, Saijiro Higa, Ken Iha, James Inafuku, Robert K. Matsumoto, Jack Nakamura, Sonsei Nakamura, Choriki Shimabuku, Yasuo Takata, Masasuke Tome and Masaichi Yoza.

In a conversation with Drusilla Tanaka (Bernard Akamine's daughter), she mentioned that she donated a copy of "Ambassador in Arms" in her father's name to her children's school when she learned that their library did not have enough reference books regarding the 100th and the 442nd. Needless to say, the school officials were very pleased to add the book to their library. Isn't this a wonderful way to perpetuate the history of the 100th?.

**DOG CHAPTER NEWS:**

**By Helen Nikaido**

CONGRATULATIONS to Loretta and Matt Matsunaga. They were blessed with a daughter on December 1, 1993. Imagine Matt is a daddy now. I remember Matt running around at the clubhouse on our family nites--he must have been about 5 years old then.

Our deepest sympathy to Mrs. Mitsuko Kurisu, son George, daughters Amy, Phyllis, April and family on the passing of their beloved husband, father, grandfather, brother, George, who passed away pm Deace,ber 31st. Reminiscing the good old days, I can picture George who had a beautiful voice, singing his favorite song "Danny Boy" at our chapter family nites. Saw Masao Sato at George's funeral. It was good to see him, yet so sad.

Yoshiichi Okazawa is confined at Hale Nani. Would be nice if you doggies paid him a visit to cheer him up.

HAWAII CHAPTER NEWS

by Jimmy Maeda

This is Monday morning, January 17, only two weeks since we welcomed the New Year 1994 -- The year of the Dog. The morning TV news has been reporting the Los Angeles area early morning earthquake. Los Angeles area has been hit by another natural disaster within 4 months. A big earthquake is a fearful experience. It causes loss of lives, bodily injury, loss and damage to property, fire, water problem, no electricity, and etc. The people living on the Hawaiian Islands have experienced earthquakes. Since we live on volcanic islands we are prone to earthquakes. We pray that the people who were affected by the quake recover from the injuries and property losses.

The installation luncheon for the 1994 officers of Hawaii Chapter was held at the Fuji Restaurant/Hilo Hotel, on Saturday noon January 22. Those installed were: Motoyoshi Tanaka, President; Toshimitsu Kondo, Vice-President; Eugene Eguchi, Secretary; Roger Kawasaki, Treasurer; Tarush Yamamoto, auditor and Shigeru Ushijima, historian.

Yasu Iwasaki, Stanley Ushijima and the other leaders of AJA Memorial Baseball League are once again busy conducting the annual baseball league. The AJA Memorial Baseball league gives the youth of the Big Island an oppurtunity to play hardball baseball. The league began in 1946, as the 100th Infantry Battalion Memorial Baseball League and later changed its name to the AJA Memorial Baseball League. The champion from the local AJA leage will participate in the inter-island tournament.

January 28 is a day of remembrance for a few of the former Puka Puka-ites. They are the survivors of the U.S. Army Transport Frank. After basic training at Schofield Barracks, they were returning to the Island of Hawaii and got torpedoed by a Japanese sub on January 28, 1942. They were passengers on the U.S. Army Transport Frank. The event took place between Maui and Kohala in the early morning of January 28, 1942. Several of the young men lost their lives.

Our prayers for a speedy recovery to Buck Shimabukuro who has been temporarily disabled after a home accident in November. We hope that you can hop around by now.

#### FOX COMPANY NEWS

by Kenneth Higa

Time marches on. By the time you receive this issue of the Puka Puka Parade, the new year will be a month old and as springtime looms ahead, it will be bye-bye to cold wintry nights.

Spring is cherry blossom time and the splendor of the cherry tree in full bloom beckons many, many tourists to Japan and the mainland each year. No wonder, Yasuto Furusho caught the cherry blossom bug.

Last year on March 25, the Furushos went on a two-week tour of the southeastern states, especially to see the cherry blossoms in Macon, Georgia. And this spring, on April 4, they will go on a 12-day east coast tour to see the cherry blossoms in Washington, D.C. Other cities included in the tour are Gettysburg, Philadelphia, Atlantic City, New York City, Baltimore, and Las Vegas. Unlike many septuagenarians, Yasuto and Helen are on the go for they will manage to make two trips a year. More power to them.

The Kamishitas made their yearly December trek to Las Vegas to seek "that elusive fortune". Instead, Seiso said he lost money again. Hope he has better luck next time.

Since Vegas is the "Mecca" for many islanders, bumping into familiar faces is not uncommon. Seiso, who grew up in Waimea, Kauai, met several Garden Islanders. Among them were Fox members Sadao Kawamoto, and Ken Yoshimoto, and their spouses. Ken, hope you can join us for the 1994 Fox reunion.

Duke Sugawara of Waimea, Kauai was hospitalized just the day before Christmas at Straub Hospital. On Monday, January 3, 1994, I bumped into his brother-in-law at Longs Drugs Store in Ala Moana Center and he told me that Duke was in the hospital. I was glad that I went to see him that afternoon because when I dropped by again on Friday, the nurse told me that Duke was discharged on Thursday. We wish the best for him and hope he is feeling better and getting stronger each day.

Masao Okamoto of Honolulu passed away on December 20, 1993. He was a member of the second platoon. Masao, who was born in Pahoia, Hawaii, is survived by sister, Ayako Ushigawa. Private services were held.

Akemashite Omedetoo Gozaimasu

A new Year is upon us, it is a time to stop for a moment and reflect on the year past, to hope that all that was wrong can be reighted. It is also time for joy and fellowship with family, relatives and friends. Let us all work together for peace and harmony in this world.

Takao Kubota had cataract operations on both of his eyes and is presently resting at home. He says that it is mo beta than new and he can see everything mo beta. He's thinking of joining the retirees at the Ala Moana Shopping Center girl watching to test it out. Hey, Takao you beta no over do it, yeh. Go easy, easy.

Saburo Inamasu couldn't join us at our PPP collating a couple of weeks ago and won't be joining us at our Installation Banquet because of

tendonitis of his right shoulder. He has difficulty lifting his right hand. He says, he can hardly lift a can of beer to his mouth. "Yeh, Saburo, you beta take care and get over it real quick".

Our treasurer, Jerry Yamaki invited the past year's officers of the chapter for a combination "Bonen Kai and Shin Nen Enkai", at this office on 3 January 1994. It was a come as you are affair. Jerry furnished all the ono kau kau and drinks. Ted brought a 2-quart can of Extra Dry "Asahi Bilu" for the occasion. The session was interesting in that we didn't have any agenda but we covered whatever subject matter that came up. Work affairs, ethnic matter, American Civil War, local politics, etc., you name it, we covered it. We had experts on all subject matters covered. In other words it is called a "bull session" and was enjoyed by all. A generous host, Jerry is, he even made doggie bags with the remainder of the food saying, take it home and take care of you "Okusan". Our meeting started at 11:30 and lasted till pau hana time 4:30. We thank Jerry for his hospitality and generosity.

My only request for this year to our members is for some one to come forward occasionally with some short items, so that I don't have to squeeze the small brains I have, to think of things to write to fulfill my obligations to our PPP. So, you gentle people with generous hearts, take pity on poor me and send some articles (No Mo Den One Page- so I may be able to do my duty as your scribe, OK?

It is pau for now, so I wish all of you the best of health and prosperity for this year of the "Dog". Kotoshi Mo Yoroshiku Onegai Itashimasu.

#### MAUI CHAPTER NEWS

by Tom Nagata

Happy New Year! Went to bed at 10:30 on New Years Eve, and was awakened at midnight when all Kahului seemed to have their quota of firecrackers and touched them off all at the same time.

Maui Chapter president John Miyagawa will be calling all members by our telephone network to inform them of our first general meeting in March. At this meeting members will decide on the budget and schedule of activities for the coming year. No schedule will be mailed out until after our March meeting.

For those members who wish to pay their annual dues before the March meeting, they can mail the \$5.00 direct to the Honolulu Club 100 office, or they can mail both the Honolulu and Maui dues of \$7.00 to Tom Nagata, treasurer, at 43 W. Wakea Avenue, Kahului, HI 96732. He in turn will mail you Honolulu dues to Club 100, 520 Kamoku Street, Honolulu, HI 96826. We have 50 active members and half of them are Life Members Maui Chapter, and 33 are Honolulu Life Members.

#### HEADQUARTERS NEWS

By Ken Suehiro

David Kubo is a 5 year old kindergarten student. In December last year his Hilo school had a special program for which he was selected Master of Ceremonies. His mother was nervous that he might back out at the last minute, but not this youngster. He breezed through the entire show without a hitch. This youngster is our Tom Nosse's grandson, now living in Hilo with his parents--mother is Joanne Nosse Kubo, remember? Tom, you should be proud and happy. I was told this David is also an artist and at 5 years, he knows how to read and

write--adds his own subscript to his sketches and drawings. Tom, this boy appears to be a wizard--take care of him!

Times are sure bad when a scribe must write about his own family, but to fill space I'm saying "thank you" to all our friends who generously gave their sympathy and condolences upon the passing away of my wife Edna Harumi on January 3, 1994. Thank you all very much.

She suffered from arthritis of her hip for a long time. She was in constant pain, and had difficulty ambulating. We had no idea she had cancer because her only complaint was about her hip. But after a few weeks in December she began having signs of bloating of her stomach and swelling of both legs.

Her doctor examined her and also referred her to a specialis, who late December found signs of intestinal blockage. She was operated on in late December when she was found to be suffering from cancer in her liver and other organs--metastisized. Due to the operation of removing part of her clogged intestine, she suffered pain but not before that.

She began having difficulty in breathing and expired on the 3rd--about a week after admission to the hospital. I am glad she did not suffer for months as in many cases. Again thank you all.

Due to miscommunication, about our meeting date, our January 18, 1994 meeting was not successsful, yet not bad attendance. For our next meeting we plan to use the telephone system--might help.

Please call me if you have any news that will be of interest. My number is 988-7600. And I'm always at the clubhouse having my lunch and nap from 12:00 to 1:00pm (946-4286).

Gary Uchida is our 1994 scribe so I plan to ask him to be our reporter. About time I retire.

P.S. The editors and staff of the Puka Puka Parade extend their deepest sympathy to you, Ken, and your family. Thank you for sharing her life with us.

Many thanks to the following individuals for their gift to support Club 100 and its activities.
