WHAT IS THIS DISEASE THAT IS COMING UPON US?

Like a thief at night it steals in upon us unawares. Many persons have pains about the chest and sides, and sometimes in the back. They feel dull and sleepy; the mouth has a bad taste, especially in the morning. A sort of sticky slime collects about the teeth. The appetite is poor. There is a feeling like a heavy load on the stomach; sometimes a faint all-gone sensation at the pit of the stomach which food does not satisfy. The eyes are sunken, the hands and feet become cold and feel flabby. After a while a cough sets in at first dry, but after a few months it is attended with a greenish coloured expectoration. The afflicted one feels tired all the while, and sleep does not seem to afford any rest. After a time he becomes nervous, irritable, and gloomy, and has evil forebodings. There is a giddiness, a sort of whirling sensation in the head when rising up suddenly. The bowels become constive; the skin is dry and hot at times; the blood becomes thick and stagnant; the whites of the eyes become tinged with yellow, the urine is scanty and high-coloured, depositing a sediment after standing. There is frequently a spitting up of the food, sometimes with a sour taste, and sometimes with a sweetish taste; this is frequently attended with palpitation of the heart; the vision becomes impaired with spots before the eyes; there is a feeling of great prostration and weakness. All of these symptoms are in turn present. It is thought that nearly one-third of our population has this disease in some of its varied forms. It has been found that medical men have mistaken the nature of this disease. Some have treated it for a liver complaint, others for kidney disease, etc., but none of the various kinds of treatment have been attended with success, because the remedy should be such as to act harmoniously upon each one of these organs, and upon the stomach as well; for in Dyspepsia (for this is really what the disease is) all of these organs partake of this disease and require a remedy that will act upon all at the same time. Seigel's Curative Syrup acts like a charm in this class of complaints, giving almost immediate relief. The following letters from chemists of standing in the community where they live show in what estimation the article is held.

John Archer, Harthill, near Sheffield:—I can confidently recommend it to all who may be suffering from liver or stomach complaints, having the testimony of my customers, who have derived great benefit from the Syrup and Pills. The sale is increasing wonderfully.

Geo. A. Webb, 141, York Street, Belfast:—I have sold a large quantity, and the parties have testified to its being what you represent it.

J. S. Metcalfe, 55, Highgate, Kendal:—I have always great pleasure in recommending the Curative Syrup, for I have never known a case in which it has not relieved or cured, and I have sold many grosses.

Robt. G. Gould, 27, High Street, Andover:—I have always take a great interest in your medicines and I have recommended them, as I have found numerous cases of cure from their use.

Thomas Chapman, West Auckland:—I find that the trade steadily increases. I sell more of your medicines than any other kind.

N. Darroll, Clun, Salop:—All who buy it are pleased, and recommend it.

Jos. Balkwill, A. P. S., Kingsbridge:—The public seem to appreciate their great value.

A. Armstead, Market Street, Dalton-in-Furness:—It is needless for me to say that your valuable medicines have great sale in this district—greater than any other I know of, giving great satisfaction.

The People's Cyclopedia.
A New Era in Cyclopedism.
It came into existence as the result of
public opinion that the masses of the
people needed a Cyclopedia better
adapted to their wants and means. It
has the cream of all the other Cyclopedias
given in a masterly, scholarly manner,
not mere skeletons, but the flesh
and blood of all the others. It has
eighteen thousand topics more than
other Cyclopedias, five thousand illustrations,
fifty-two double colored maps,
one hundred and twenty-five maps and
diagrams. The maps are Rail Road
and County maps of the United States.
The work is complete and now ready
for delivery, revised and all brought
down to 1884.

LOCAL & GENERAL NEWS.

A young Japanese wants a situa-
tion. See adv.

The S. S. Alameda will sail for
San Francisco on Saturday at noon.

The bark Calbarien was hauled
off the Marine Railway at noon to-
day.

Our migratory friend Col. Norris
did not leave by the bktn Discovery
yesterday.

The Honolulu Rifles hold their
usual weekly drill this evening, at
7.30 p. m.

The repairs to the road on Mau-
nakea street are completed, and it is
in fine order now.

The foreign jury is required to at-
tend at the Supreme Court to-mor-
row morning at 10 o'clock.

We omitted yesterday in our
hurry to thank Capt. Sass and Pilot
Babcock for late news favors.

Miles Bros. have received some
very fine horses by the W. H. Di-
mond this morning from the Coast.

The Maori King, Tawhiao, has
arrived at New Zealand. He changed
his mind at the last moment, about
taking the route across continent.

In the Supreme Court yesterday
the case of Kahai, et al., vs. Annie
K. W. Haines, et al., ejection, was
heard before a mixed jury. The

case was not concluded until 10
o'clock last evening, the jury being
discharged, unable to agree to a
verdict. This morning the case of
Mele Hololua, et al., vs. Keoni
Kupu, et al., ejection, was heard, a
verdict being given for the plain-
tiff, \$50 damages.

A CHINAMAN committed suicide at
Lahaina last week by hanging him-
self from a tree. Financial troubles
and sickness was the probable cause
of his rash act.

On Friday last, the Judges of the
Supreme Court made some new
rules and orders, to take effect from
that day, in addition to those al-
ready in force in that department.

Mr. Isadore Luckstone, the fine
pianist of the Remenyi troupe, is
playing upon a magnificent Bech-
stein concert grand piano, at the
concerts in Melbourne. What a pleas-
ure it must be to him after such a
miserable rattle box he was com-
pelled to use here.

On Saturday last, Mr. N. S. Sachs
had his grand opening of new mil-
linery goods recently purchased at
the coast by Miss Hirschberg. A peep
inside the store divulged a splendid
stock of new goods, and there was
no sign of hard times, a crowded
store and a roaring trade being the
order of things.

JUDGE Bickerton fairly earned his
salary yesterday, as the criminal
business occupied the whole of the
day, and there is no doubt that His
Honor on arriving home made sad
havoc of the good things provided
for his usual evening meal. The
civil business had to be left over
until this morning.

Our attention was called, a few
days ago, to the bad state of the
road near the Fish Market. In-
forming the Road Supervisor of the
fact he has acted with his
usual promptness, and put a gang of
men at work on it yesterday morn-
ing. The large number of people
who make use of that road will, we
are sure, thank him from the bottom
of their hearts.

ONE week from Saturday, the
Band will be playing at Emma
Square as usual in the afternoon.
We call the attention beforehand of
the proper authorities to the gang of
hoodlums who generally sit on the
rail outside the Square on Emma
street, smoking, chewing and spit-
ting, and acting otherwise rowdily,
making it unfit for ladies to pass by
on that side. It is to be hoped this
common nuisance will be stopped.

MR. A. Herbert has always been
well-known for his close attention to
the culture of grape vines, and for
his fine stocks of seeds. He has
now for sale at his place in Kalihi,
10,000 rooted grape vines of five
different varieties. Then he has
also different kinds of fruit trees,
and a great amount of seeds. Turn
to his advertisement and peruse it
well.

THE examination of some of the
candidates for admission to the bar
was very amusing. Some answers
given were really ridiculous, showing
very little knowledge of law, not
even enough for the position of
policeman. One question asked was,
"Within what time can an action on
a judgment be brought?" Five
candidates answered respectively,
24 hours, 1 year, 5 years, 10 years,
30 years. We have no space for
other just as distant answers.

CHARLES Wilson, late overseer at
Hana Plantation, died at the Queen's
Hospital last evening, the immediate
cause of death being from exposures
in the U. S. Army. He was a
prisoner in Andersonville prison for
eleven months, and has been a great
sufferer. The deceased belonged to
the 4th N. Y. Cavalry. Latterly he
has been cared for by the Geo. W.
De Long Post, and he will be
buried under their auspices this
afternoon at 4 o'clock from the hos-
pital.

For the information of enquirers,
our readers and those who are an-
xious to send more frequent corre-
spondence to Wai'alua and Wai'anae,
we would say that the steamer Jas.
Makee takes a mail to those places
every Friday morning, at 9 o'clock,
and also brings one on her return on
Tuesday. The overland mail still
leaves at 10 o'clock Wednesday

morning, so that we have two mails
a week to those places, instead of
one. The mail by the James Makee
closes at half-past eight, Friday
morning.

DANIEL Kahua, a member of the
Royal Hawaiian Band, died yester-
day at Koolau, on the other side of
this island. The deceased has been
a member of the band since its
organization thirteen years ago, first
played the cornet, than the piccolo,
and latterly the clarinet. He has
been sick for a long time, and a
great sufferer from asthma. The
body will be brought to Honolulu
this afternoon and probably buried
to-morrow with the usual honors.
The deceased resided at Niupai'ai,
in Nuuanu Valley.

IN the Police Court this morning
Akiona, charged with perjury in the
2d degree, was remanded until Satur-
day. John McFarlane and Makaanui
for drunkenness had to pay \$6 each.
Naone for assault and battery for-
feited \$10 bail. Ah Sung, Ah Kum
and Ah Tang, charged with gaming,
were fined \$10 and sentenced to 48
hours' imprisonment. Mr. Russell
who appeared for them noted an ap-
peal to the Supreme Court. The
evidence in this case occupied the
attention of those Courts the whole
of yesterday afternoon. Kamiki and
Lopeka, charged with adultery, the
former was fined \$30, the latter \$15,
with costs.

MR. WALL, who has introduced
roller skating here, feels justified,
by the patronage accorded to the
sport, to make it a permanent insti-
tution. He will therefore this week
begin the erection of a rink on
Queen street, near Richard, of the
capacious dimensions of 90 feet
long and greatest width 60 feet. It
will be in the form of the letter
L, and the floor will be so laid that
the skates will not run transversely
on the planks at any place, smooth
and easy running being thereby en-
sured. Two nights in the week will
be reserved for ladies and their
escorts, no males to be admitted on
those evenings unless accompanying
one or more of the gentler sex.

WHAT is the attraction over there?
was the question we heard several

slowed many a favorite, and won many
a hatful of money for his owners, and
proved himself one of the greatest of
horses over a distance, most of his races
being at two and four miles. He has
already sired several colts in California
that are winners, among which are
Lizzie Dunbar, Young Bazaar, Sophia,
and another called the Bazaar Minerva
Colt, he being out of Minerva by Im-
ported Leamington, the sire of Parole
and Iroquois. Lizzie Dunbar greatly
distinguished herself last year in her
two-year-old form by defeating one of
the largest fields of two-year-olds that
ever started in California, among which
were the two beautiful fillies brought
here last Spring by Mr. Agnew, distance
3/4 mile; time, 1:04 1/2, the fastest time on
record for two-year-olds at the distance.
This year she has won several important
events, and has proved herself to be a
crack three-year-old.
Bazaar has now been brought back
to Honolulu, and will remain here the
balance of this year, and breeders, horse
owners and stock raisers should avail
themselves of the opportunity to obtain
his services while they have the chance.
Terms, \$40. Payable at time of
service.
The imported Clydesdale Stallion
Donald Dinnie, Jr., will stand at
the same time and place at \$30 for the
season. He was bred in Canada, sired
by imported Donald Dinnie, and out of
an imported Clydesdale mare. He is a
beautiful dapple grey, 16 hands high,
and weighs 1,400 lbs.; is very active,
and as fine a large horse as could be
found anywhere.
Also, the fine large Imported Ken-
tucky Jack Sampson. This is one
of the largest Jacks that we could find
in California, and is an animal of im-
mense bone; is a very sure breeder, and
should be liberally patronized, as he is
one of the very best animals of his
kind. Terms, \$30 for the season.
The public are cordially invited to
call and inspect the above animals.

AN ALARMING DISEASE AFFLICTING A NUMEROUS CLASS.

The disease commences with a slight derangement of the stomach, but, if neglected, it in time involves the whole frame, embracing the kidneys, liver, pancreas, and, in fact, the entire glandular system, and the afflicted drags out a miserable existence until death gives relief from suffering. The disease is often mistaken for other complaints; but if the reader will ask himself the following questions, he will be able to determine whether he himself is one of the afflicted.—Have I distress, pain, or difficulty in breathing after eating? Is there a dull, heavy feeling attended by drowsiness? Have the eyes a yellow tinge? Does a thick, sticky, mucous gather about the gums and teeth in the mornings, accompanied by a disagreeable taste? Is the tongue coated? Is there a fullness about the right side as if the liver were enlarging? Is there costiveness? Is there vertigo or dizziness when rising suddenly from a horizontal position? Are the secretions from the kidneys scanty and highly coloured, with a deposit after standing? Does food ferment, soon after eating, accompanied by flatulence or a belching of gas from the stomach? Is there frequent palpitation of the heart? These various symptoms may not be present at one time, but the sufferer in time feels a dread of the disease progressing. If the case be one of long standing, attended after a time by expectoration. In very advanced stages the skin assumes a dirty brownish appearance, and the hands and feet are covered by a cold, sticky perspiration. As the liver and kidneys become more and more diseased, rheumatic pains appear, and the usual treatment proves entirely unavailing against this latter agonizing disorder. The origin of this malarious indigestion or dyspepsia, and a small quantity of the proper medicine will remove the disease if taken in its incipient stage. It is most important that the disease should be promptly and properly treated in its first stages, when a little medicine will effect a cure and even when it has obtained a strong hold the correct remedy should be persevered in until every vestige of the disease is eradicated, until the appetite has returned, and the digestive organs restored to a healthy condition. The surest and most effectual remedy for this distressing complaint is "Seigel's Curative Syrup," a vegetable preparation sold by all Chemists and Medicine Vendors throughout the world, and by the proprietors, A. J. White, Limited, 17, Farringdon Road, London, E. C. This Syrup strikes at the very foundation of the disease, and drives it, root and branch, out of the system.

Market Place, Pocklington, York, October 2nd, 1882.

Sir,—Being a sufferer for years with dyspepsia in all its worst forms, and after spending pounds in medicines, I was at last persuaded to try Mother Seigel's Curative Syrup, and am thankful to say have derived more benefit from it than any other medicine I ever took, and would advise any one suffering from the same complaint to give it a trial, the results they would soon find out for themselves. If you like to make use of this testimonial you are quite at liberty to do so.

Yours respectfully, (Signed) R. TURNER.

Seigel's Operating Pills are the best family physic that has ever been discovered. They cleanse the bowels from all irritating substances, and leave them in a healthy condition. They cure costiveness.

St. Mary-street, Peterborough, November 29th, 1881.

Sir,—It gives me great pleasure to inform you of the benefit I have received from Seigel's Syrup. I have been troubled for years with dyspepsia; but after a few doses of the Syrup, I found relief, and after taking two bottles of it I felt quite cured.

I am, Sir, yours truly, Mr. A. J. White. WILLIAM BRENT.

Hensingham, Whitehaven, Oct. 16th, '82. Mr. A. J. White.—Dear Sir,—I was for some time afflicted with piles, and was advised to give Mother Seigel's Syrup a trial, which I did. I am now happy to state that it has restored me to complete health.—I remain, yours respectfully, (Signed) JOHN H. LIGHTFOOT. 15th August, 1883.

Dear Sir,—I write to tell you that Mr. Henry Hillier, of Yatesburg, Wills, informs me that he suffered from a severe form of indigestion for upwards of four years, and took no end of doctor's medicine without the slightest benefit, and declares Mother Seigel's Syrup which he got from me has saved his life.

Yours truly, (Signed) N. WEBB, Chemist, Calne.

September 8th, 1883. Dear Sir,—I find the sale of Seigel's Syrup steadily increasing. All who have tried it speak very highly of its medicinal virtues; one customer describes it as a "Godsend to dyspeptic people." I always recommend it with confidence.

Faithfully yours, (Signed) VINCENT A. WILLS, Chemist-Dentist, Merthyr-Tydvil.

Preston, Sept. 21st 1883. My Dear Sir,—Your Syrup and Pills are still very popular with my customers, many saying they are the best family medicines possible.

The other day a customer came for two bottles of Syrup and said "Mother Seigel" had saved the life of his wife, and he added, "one of these bottles I am sending fifteen miles away to a friend who is very ill. I have much faith in it." The sale keeps up wonderfully, in fact, one would fancy almost that the people were beginning to breakfast, dine, and sup on Mother Seigel's Syrup, the demand is so constant and the satisfaction so great.—I am dear Sir, yours faithfully, (Signed) W. BOWKER. To A. J. White, Esq. 75161y

A SKILFUL SURGICAL OPERATION.

The American Ambassador at Vienna, Mr. Kasson, has lately forwarded to his Government an interesting account of a remarkable surgical operation lately performed by Professor Billroth, of Vienna, which, wonderful to tell, consisted in the removal of a portion of the human stomach, involving nearly one-third of the organ—and strange to say, the patient recovered—the only successful operation of the kind ever performed. The disease for which this operation was performed was cancer of the stomach, attended with the following symptoms:—The appetite is quite poor. There is a peculiar indescribable distress in the stomach, a feeling that has been described as a faint "all gone" sensation; a sticky slime collects about the teeth, especially in the morning, accompanied by an unpleasant taste. The patient, on the contrary, it tends to aggravate the feeling. The eyes are sunken, tinged with yellow; the hands and feet become cold and sticky—a cold perspiration. The sufferer feels tired all the time, and sleep does not seem to give rest. After a time the patient becomes nervous and irritable, gloomy, his mind filled with evil forebodings. When rising suddenly from a recumbent position there is a dizziness, a whistling sensation, and he is obliged to grasp something firm to keep from falling. The bowels become constipated, the skin dry and hot at times; the blood becoming thick and stagnant, and does not circulate properly. After a time the patient spits up food soon after eating, sometimes in a sour and fermented condition, sometimes sweetish to the taste. Oftentimes there is a palpitation of the heart, and the patient fears he may have heart disease. Towards the last the patient is unable to retain any food whatever, as the opening in the intestines becomes closed, or nearly so. Although this disease is indeed alarming, sufferers with the above named symptoms should not feel nervous, for nine hundred and ninety-nine cases out of a thousand have no cancer, but simply dyspepsia, a disease easily removed if treated in a proper manner. The safest and best remedy for the disease is Seigel's Curative Syrup, a vegetable preparation sold by all chemists and medicine vendors throughout the world, and by the proprietors, A. J. White (Limited), 17, Farringdon-road, London, E. C. This Syrup strikes at the very foundation of the disease, and drives it, root and branch, out of the system.
