Plan.

Captain John M. Hall  
Office of Assistant Secretary of War  
War Department  
Washington, D. C.

Dear Captain Hall:

Several of the volunteers at Minidoka Relocation Center were conditional upon receiving commissions. These were engineers, doctors, dentists, and other professionally trained persons.

I wired the Project Director the results of our conversation of last Friday. As a result two of the conditional volunteers wish to volunteer as privates. These men are Frank Shigetada Kanemori and Richard Masayoshi Nomura.

Sincerely yours,

Acting Director
