(e) Comments and Recommendations:

(1) There has been some improvement in the promptness with which requisitions are being filled at NSC Guam.

(a) Provisions (number of days supply on hand)

- | | | |
|-----|------------------|---------|
| (1) | Fresh and Frozen | 30 days |
| (2) | Dry | 60 days |
| (3) | Others | None |

(b) Fuels (Number of days supply on hand)

- | | | |
|-----|------------|----------|
| (1) | Diesel Oil | 30 days |
| (2) | Mogas | 35 days |
| (3) | Kerosene | 90 days |
| (4) | Lube | 15 days |
| (5) | Other | 120 days |

(c) Material

- (1) Construction--Satisfactory if fiberboard & other material on order is received.
- (2) Equipment Spares--Satisfactory if outstanding requisitions are filled promptly.

- (d) Status of requisitions. Number and dates of those outstanding over two months on which no information has been received.
- 359-48 3/19/48 Includes 2 adding machines which are urgently required.
- 441-48 5/13/48 Includes 1 adding machine.

(e) Comments & R commendations

- (1) NSC Guam continues to show improvement in the promptness with which requisitions from this activity are filled.
