

A (Rehabilitation)
5 (Summary)

1 January 1949

Palau Dist.
+ Yap

Rehabilitation in the Western Caroline Islands is completed. The people are not in need of welfare other than having necessary materials made available to them for sale.

When the magistrates agree on the Codification of the Land Laws in the Palaus a great step forward will have been made. It has been a difficult job to distinguish the various types of land (clan, private, etc.) and how they are used.
