

B (Health and Sanitation)

6 (Summary) - 1

1 April 47

Palau Dist.

6. Summary:

Comments:

(1) Lieut. (jg) W. M. C. WILHOIT, (MC), USNR, was detached on 29 March 1947, for return to continental United States and separation. The health and sanitation programs especially the services of the Medical Officer to treat villagers on field trips, require a relief, and it is requested that one Medical Officer be assigned to this Dispensary as soon as practicable.
