NOTICE.
Having leased the TRAINING STABLES from H. J. Agnew, at Kapiolani Park, I am now prepared to take horses to train, and prepare them for the coming Fair on the 11th of June next.
Breaking and Educating Young Horses a specialty.

It is a point of importance to all owners of fine young colts not to have them jammed or hammered over the hard roads, and to get them properly handled for the first lessons are the ones that make the horse.
Also in connection with my Training Stables, I will serve a certain number of choice mares with my Young Ham- beltonian Stallion "APTOS CHIEF." He was sired by Electioneer, owned by Gov. Stanford. The sire of Electioneer was Risdake's Hambeltonian. The dam of Aptos Chief was sired by Speculation; he by Risdake's Hambeltonian—so it will be seen that Aptos is an in- bred Hambeltonian.
Terms for service of Aptos Chief, \$50 for the season, payable at the time of service; and all mares failing to be with foal will have the service of the horse the next season free of charge.

PUBLISHER'S NOTICE.

Persons requiring extra copies of any issue of the DAILY BULLETIN, should send their orders to the office not later than one o'clock of the date required.

FIFTY CENTS PER MONTH.

From and after the 1st day of May, proximo, the price of the DAILY BULLETIN will be fifty cents per month, as it has always been.

Our object in sticking to the old figure is to keep it within the means of everyone to procure a first-class daily newspaper. The prevailing dullness in business is recognized, but the DAILY BULLETIN never asked double price when times were good.

It is not necessary to blow our own trumpet as to all the moral virtues exemplified in the conduct of the DAILY BULLETIN, or the enterprise it displays upon every opportunity in the presentation of home and foreign news.

or events showing a preference to rivals in the time of their happening, may now and then cause us to be placed in a temporary shade.

It is not necessary that we should make boastful promises of the future. As in the past, the DAILY BULLETIN management will add improvement to improvement according to the means placed in its power so to do by a community that has throughout most generously given practical recognition to the claim upon its patronage of the pioneer daily newspaper.

EDITORIAL NOTES.

The New York Sun has rather "got" President Cleveland upon the Civil Service reform business. Referring to the President's expression of his obligation to the Independent Republicans, which he wanted to redeem by appointing Mr. George William Curtis and others to distinguished positions, that paper asks, "If the President was willing to reward these men with offices for services to himself, what becomes of the Civil Service declaration?"

On March 31st a paragraph appeared in our local news, referring to the prospective departure of Col. Saxe from the country. Certain terms in the said paragraph, which our reporter meant only in jest, have given offense to the gentleman named.

Elsewhere in to-day's issue will be found documents regarding the United States Consul at this port, which explain themselves. Mr. McKinley has occupied the office for the past four years and two months, having been appointed by President Hayes.

The best man is he who most tries to perfect himself, and the happiest man is he who most feels that he is perfecting himself.—Socrates.

THURSDAY, APRIL 30, 1885.

HERE OR THERE.
May God be near thee, friend,
When we are far away;
May His smile cheer thee, friend,
And make all light as day;
Look up! the sky, the stars above
Will whisper to thee of His changeless love.

In distant, desert places
The "Mounts of God" are found;
His sky the world embraces,
And makes it "holy ground";
The heart that serves, and loves, and
Hears everywhere the rush of angel wings.
To God the "there" is here;
All spaces are His own;
The distant and the near
Are shadows of His throne;
All times are His, the new, the old—
What boots it where life's little tale is told?
'Tis not for us to choose;
We listen and obey;
'Tis His to call and use;
'Tis ours to serve and pray;
It matters little here or there,
God's world is wide, and Heaven is everywhere.
We can not go so far
That hour is out of sight;
The morn, the evening star,
Will say, "Good-day!" "Good-night!"
The heart that loves will never be alone;
All Earth, all Heaven, it reckons as its own!
—Good Words.

A Horse! a Horse! My Kingdom for a Horse.—King Richard.

The Fast Trotting Stallion

VENTURE
RECORD, 2:27½.

Having purchased this celebrated Stallion from MR. JAMES CAMPBELL, I
hereby notify the public that he will stand the present season at my headquarters,
corner of Punchbowl and Queen Streets (Captain Cluney's). Terms for the sea-
son, \$50; to insure, \$100.
Description.
Venture is a rich chestnut color, 16 hands high, and weighs about 1,100 lbs.
In structure he is the picture of great muscular power, and in appearance, tem-
perament and disposition, he is faultless. Full of fire and gentleness, he is with-
out speck or blemish. As a stock horse he is having extraordinary success; his
numerous progeny, both in California and in this country, attest this fact, several
of them being able to trot low down, and one of his daughters (Venus) can trot
in 2:25. Venus is also the dam of Transit, which is said to be the most promising
two-year-old in California. He trotted a mile last season, as a yearling, in 2:45.

Pedigree.
Venture, chestnut horse, foaled in 1863, bred by Henry Williamson, Esq.,
Oakland, California; by Belmont, he by American boy, he by Seagull, he by Im-
ported Expedition.
1st dam, Miss Mostyn, by American Boy, Jr.
2nd dam, by Kemmer's Gray Medley.
3rd dam, Imported Lady Mostyn, by Trampator.
4th dam, Prunella, by Highflyer.
5th dam, Promise, by Snip.
6th dam, Helen, by Hambletonian.
7th dam, Susan, by Overton.
8th dam, Drowsy, by Drone.
9th dam, by Old England.
10th dam, by Cullen Arabian.
11th dam, Miss Cade, by Cade.
12th dam, Miss Makeless, son of Greyhound.
Belmont, by American Boy.
1st dam, Imported Prunella, by Comus.
2nd dam, by Partisan.
3rd dam, Pawn, by Trampator.
4th dam, Prunella, by Highflyer.
5th dam, Promise, by Snip.
6th dam, Julia, by Blank.
7th dam, Spectator's dam, by Partner.
8th dam, Bonny Lass, by Bay Bolton.
9th dam, by Durley's Arabian.
10th dam, by Byroy's Turk.
11th dam, by Taffolet Barb.
12th dam, by Place's White Turk.
13th dam, Natural Barb Mare.

In offering the services of this horse to the public I make one claim for him,
which is that he is the highest bred trotting stallion in the world, living or dead,
and in support of this claim I am willing to submit it to any authority that can
be obtained, and if he is not, then I will forfeit all my claims to horse knowledge.
It will be seen that his pedigree represents a union of the purest blood of the English
and American thoroughbred racer, one of his grand dams, as also one of his great
grand dams, being imported from England to the United States. When Venture
was on the turf, about eight years ago, he was at that time the sensational horse of
the Pacific Coast, and the sporting papers in the East, that were always so much
opposed to running blood in the trotter, commenced picking away at his pedigree,
trying to find a cold cross in it, at the same time declaring that it was simply im-
possible for a strictly thoroughbred horse to trot as fast as he was then trotting;
but at last they had to give it up, and admitted the fact that he was a strictly
thoroughbred horse, but declared him a phenomenon, and were unable to account
for his great speed at the trotting gait. But the fame of his sire, old Belmont, is
almost world-wide, and it is a well-known fact his blood nicked better with the
trotting families than that of any other thoroughbred horse ever known, as, in
addition to Venture, two other thoroughbred sons of his, Capt. Webster and Owen
Dale, were said to have possessed great speed at the trot. Besides these, he sired
the dams of Belle Echo, 2:20; Flora Shepherd, 2:30; Monarch, 2:28; Nelly
Patchen, 2:27½; Rustic, 2:30; which is a showing that a great many of the best
trotting bred horses cannot equal. Mr. Patrick Ffrell, who is one of the most
experienced drivers on the Pacific Coast, told me the last time that I saw him, that
Venture was the fastest trotter that he ever pulled a line over, and that if his
temper had not been soured in his youth by bad handling, he believed that he
would have equaled, if not surpassed, all the records ever made, and that he could
show a two-minute gait with him to a wagon, but in company he would become
wild, on account of his hot blood, and was often beaten by horses that could hardly
run as fast as he could trot. His record of 2:27½ which was no measure of his
speed, was made in the Oakland track in 1877, in a race which he won, beating
Alexander, Gus, General Reno and Billy Hayward, this being his last public
performance.

It is thought by some people that an aged horse is not as good a producer as a
young one, but no greater mistake could possibly be made. Indeed, the opposite
is claimed by many large breeders, and instances are so numerous of horses siring
their best foals at an advanced age that the above theory has long ago been ex-
ploded. Imported Diomed was twenty-seven years old when he sired Sir Archy,
his best son; Bonnie Scotland, who died only a few years ago, sired Luke Black-
burn and George Kinney, by far the best of his get, after he was twenty-five; Im-
ported Leamington sired Iroquois, his best son, the last year that he lived, at
twenty-five. Among trotters may be mentioned Volunteer, the sire of St. Julien,
who is thirty-one years old this spring, and is said to be as lively and vigorous as
he ever was, and his young foals as promising as any that he ever got. Old Ham-
iltonian died in March, 1876, aged twenty-seven years, but sired two foals the
last days of his life, and one of them, called Hamiltonian's last, made a trotting
record of 2:25½ the past season, and the other one is said to be equally as fast.

With these facts before us, it is plain that the age of a horse has nothing to do
with his success as a sire. I think myself that there is a great deal in the condi-
tion that a horse is kept, for an animal that is well-fed and cared for, with plenty
of exercise, will beget better foals than one that is turned loose and never stabled
or fed grain.
Venture is twenty-two years old this spring, and with the care that I intend
to give him, I expect him to sire better foals than he ever has before. He is a
remarkably sure breeder. Mr. Campbell assures me that he has never bred a
mare to him yet that did not produce a foal, and his many beautiful colts, now on
Mr. C.'s ranch, are worth a long journey to see; and now as he is to be kept so
convenient to the general public, no one owning a good mare should be so blind to
their own interest as to neglect the opportunity of obtaining his blood while they
have the chance.
For any additional particulars apply at Punchbowl and Queen streets.
