

Creta Let Again.
Ed. Creta, the son of the Hawaiian Hotel barber, appeared again in the Police Court this morning on the charge of larceny in the second degree. Creta has appeared in the police Court about a half dozen times on various charges. On the last occasion the charge was the same as the one this morning. At that time the father wanted the boy sent to the Reform school as he could do nothing whatever with him. This morning he stated that his wife was about to leave for San Francisco and that the boy would go along with her. The Court granted Mr. Creta until June 3 to get his son out of the county. If he has not disappeared by that time, sentence will be imposed.

Want a Separate Branch.
There will be a meeting of the Kamehameha Alumni Association at the usual place tomorrow evening for the purpose of drawing up resolutions on the death of student Naha'e and also for the consideration of a proposition from the Alumni members in Hilo to the effect that they be allowed to form a separate branch of the Association. There are now about ten Kamehameha graduates in Hilo.

Niolo, the native spoken of in yesterday's BULLETIN as showing signs of insanity, was examined by Dr. Emerson yesterday afternoon and committed to the Insane Asylum by Judge Wilcox.

Mrs. McCoy, the McCoy sisters and Sam Marion of the Hoyt Mc Kee Company had trouble with Manager Cooke on the Oceanic wharf last evening and steamer Moana got out in the stream with the ladies remaining on shore. Marion who went out in the steamer finally arranged peace terms with the manager, the Moana was stopped in the channel and the ladies were taken out aboard. The trouble was over a request on the part of the McCoy sisters for an advance in pay.

WHAT MILES WILL DO

Washington, May 8.—"The President is Commander-in-Chief of the Army and my superior. He has approved the findings of the Wade court of inquiry. Therefore I have no comment to make. It would be an unsoldierly act were I to do so."

With these words General Miles replied to a Star reporter who saw him for a moment today with regard to the probable action he would take in view of the adverse report of the court.

"Will you formulate a protest to the President?" was the next question.

"I have nothing to say; no, sir," replied the General.

"Will you inspire a Congressional investigation?"

"No, sir; I will not talk on the subject."

"Do you believe Congress will rectify the matter?"

"I do not know what Congress will do, nor have I any means of knowing in advance what verdict an investigation might develop. I have no comment, criticism or statement to make in this matter, and you may take it as certain that any alleged interviews or intimations to the contrary said to come from me are wholly and unqualifiedly false. I was and am now actuated solely by the considerations of the health, lives and integrity of the Army. My duty is done."

Police Court Notes.

In the Police Court this forenoon M. J. Purgess was fined \$100 and costs on the charge of selling spirituous liquor without a license. The other charge against defendant was nolle pro'd. Manuel Ferro, charged with assault and battery on J. L. F. Silva, was fined \$5 and costs. Richardson, charged with obstructing and perverting justice, was reprimanded and discharged.
