### Their Dismal Failure.

There is no disguising the fact that the Hon. P. O. Jones of Hawaii has returned from his Eastern visit, clothed in the garb of failure. He journeyed to New York to float three million dollars in Dole Government bonds, but found it an impossibility. It was not a tight money market that precipitated his failure, but the knowledge of the money kings that the usurpers are failing dismally in their efforts to carry on the government, and that financial collapse will be their ultimate end. The grasping "missionaries" after robbing the unsuspecting natives of everything within reach, capped the climax by seizing their native land and extraditing all opposers. But Providence for all in time and when Adolph Spreckels & Bro. deal the final blow to these grasping bigots Hawaii will be once more for Hawaiians, and if unsuited to this mercenary gang, they will be at liberty to depart. No free minded American could visit Honolulu, study the question and give countenance to the United States condoning this crime by annexation.—*The Illustrated World.*

### A Half Century.

The members and friends of Excelsior Lodge I. O. O. F. Thursday evening celebrated in a most successful manner the 50 anniversary of the establishment of their powerful benevolent order in Honolulu.

L. L. La Pierre occupied the chair by invitation of L. W. Hough, the Noble Grand of the Lodge.

Happily selected addresses were made by Messrs. Robert Lowers, Hough, Lecker, Rose, Oat, Rowe, Turner, and W. C. Parke, the last-named reading an interesting history of the establishment of the Order in Honolulu compiled by his lamented father, the late Marshal Parke.

Since Monday, Nov. 30, a grand clearance sale has been in progress at the Kalahiki (Rising Sun) Store on King Street, just beyond East corner of Nuuanu. Everything is being sold very cheap.

There are three entrances to the Pacific Saloon, but the cry nevertheless is half and half. This a mathematical problem which can only be solved on the spot. The half and half is good, however.

Scotch whisky has become one of the favorite beverages in Honolulu during the last year. The different business houses have competed to find the very best brand. The Royal Annex now claims to have imported a whisky which cannot be excelled. T. V. F. is the name and the letters stand for "The Very Finest." This whisky will be served exclusively at the Royal Annex and connoisseurs will do well to step in and taste the T. V. F.

Buffalo Beer has proved its immense popularity at the Royal, Pacific and Cosmopolitan Saloons. The celebrated Pabst is also retained there in draft or in bottle. The interchangeable check system that has proved such a convenience to the patrons of these popular resorts is also in vogue.

Jayasuriya, the Cingalese importer has opened a new store at No. 6, Hotel St., almost at the corner of Hotel and Nuuanu streets, where he has some splendid specimens of Cingalese lace and jewelry. The prices are within the reach of all from the poorest to the richest. An inspection will amply repay the lovers of the curious and beautiful.

### House-Numbering.

The business of numbering the houses in the City is now completed and the promoters of the scheme are to be congratulated on the efficient manner in which the work has been done.

Commencing at the corner of King and Nuuanu streets, No. 1 is placed above the door of the Anchor Saloon. This figure not only denotes the number of the building, but also the quality of the refreshments served to its patrons inside, particularly the Long Life Whisky, Cold Seattle Beer on draught or in bottles, and lunch every day at noon. All of which are No. 1.

### There's Danger

In every drop of impure beer you drink. By far the greater proportion of kidney trouble is due to its use. No need of your drinking it. Seattle Beer is pure. It's brewed of the finest hops and malt, aids digestion, promotes health and preserves it. On tap or in bottles at the Criterion Saloon.
