Logistics

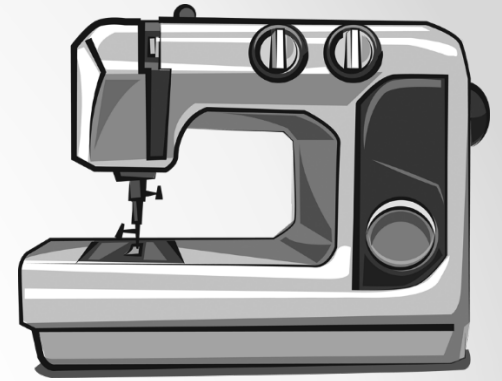

- High dollar items have a borrower's agreement
- All items have the same borrowing period
- Board games are "no fault" items
- Packaging is reinforced and simple instruction written and laminated
 - Tupperware is our best friend!
- Have a supply of spare parts and batteries
- Make sure staff are trained on how to use the items

Challenges

- Some items have a short circulation life (board games)
- Patrons are unwilling to use items they are not familiar with.
- Two GoPros have fallen into the ocean
- STEM kits need a lot of replacement parts
- Extra time is needed to check items in and place them back in circulation

So What's Next...?

- Telescopes
- Tool kits
- Portable projectors
- Sewing machines
- Scrapbooking kits
- Musical instruments
- Laminator
- Portable Photo Printer
