Foreign Summary.

An American who calls himself Dr. S. V. By, is astounding the Parisians by his power of reading any letter or writing enclosed in any number of sealed envelopes.

POPULATION AND WEALTH.—The assessed valuation of the real and personal property of California for 1850 was \$148,102,541.

An important invention has just been patented by the Hon. Daniel E. Simes, of Maine, a member of the present Congress.

The Atlantic Monthly.—The January number is an excellent one. The leading article is a spicy harangue describing the "War of the South."

THE ROMAN MARCHES.—This region the present seat of war in Italy, contains seven provinces and four hundred and twenty thousand inhabitants.

What Others Say of Us.

The Commerce of the Hawaiian Islands.—An examination of the commercial statistics of the Hawaiian Islands, during the last two years, shows that their trade is rapidly decreasing.

The First Marriage.

Marryage is of a date prior to its itself—the only relic of a paradise that has left us—some smile that God fell on the world's innocences.

PEARL RIVER SALT.—WE HAVE CONSTANTLY ON HAND Salt from the Pearl River Salt Works, both coarse and fine.

Fresh Molokai Butter.—FROM MYERS' DAIRY! Regularly received and constantly for sale by J. STEDWARD, Grocer, Hotel Street.
