TANKER WITH GASOLINE ON WAY TO USSR

PREVIOUS WARINIG OF JAPAN TO AMERICA UNHEEDED

WASHINGTON, Aug. 15— Secretary of Interior Harold Ickes announced that the first shipment of aviation gasoline to Russia aboard the American tanker sailed for Vladivostok today flying the United States flag. He added that the other tankers will leave shortly. It was revealed that he sent Edwin W. Pauley as a representative of Roosevelt and Lease-Lend Administrator Harry Hokpins and himself will go to London to study the oil situation in all its stages and the British rationing program in all its phases."

Asked whether the shipment of aviation gasoline to Russia in tankers under American registry will not conflict the United States neutrality laws, Ickes replied, "There are no war zone over there," which was taken to mean the eastern coast of USSR.

MOVE OF SEAT OF CHIANG'S REGIME SEEN

MORAL EFFECTS ON MEN IN FRONT BY REMOVAL FEARED

HONGKONG, Aug. 15—Opinions favoring the transfer of the seat of the Chiang Kai-shek regime from Chungking to Kangting of Sikang province has been gaining ground among Chungking authorities as a result of a series of devasting raids by Japanese airforces, reports from Chungking said.

However, the removal of the seat of the government is not expected to materialize in the near future because high officials of the Chungking regime fear the removal of the capital is likely to affect the morale of the officers and men at the front and at the same time lower international faith in Chiang Kai-shek's regime.

EDITORIAL

BUY ISLAND PRODUCTS

The recommendation of Lt. Gen. Walter C. Short, commander of the Hawaiian department, to increase local food supplies should be given serious thought. He recommended "proper grading and field packing to increase buyer-appeal for territorial produce; education of the public to advantages of buying island produce; maintenance and improvement of inter-island facilities for food shipment; a municipal or public market in Honolulu, and bolstering of territorial dairying." We think that every item of the foregoing recommendations has its merits.

Hitherto, a large amount of food supplies were imported from the orient. But with the disruption of the trade with the orient, some of the oriental foods had already disappeared from the market, and the prices for others are rising sky high.

We think we are safe as long as a certain amount of food supplies come from the mainland, but we cannot be too sure of it. As has been stated by the general, the islands are not absolutely safe from blockade in time of emergency.

It is, therefore, incumbent upon the local residents to cultivate the habit of buying the island products, so that the production of the food supplies will be increased, and, increase of an emergency there won't be any food shortage. The local residents must be prepared to produce the necessary sustenance of life. This is easy to say but hard to put in practice.

At present many mainland products, which could be produced here, are steadily pouring into the islands. Such as orange, eggs, lettuce, coffee, rice, and others are in this category. The island products cannot compete with that of the mainland. The advantages of the mainland produce are ascribed to a large scale production and a wide marketing field. However, we can decrease the importation of the mainland food stuff by widening the local market for the local products. It can be done only by conscious purchase. If each individual makes an effort to increase the demand for the island products, the farmers would undoubtedly increase the supply. Thus these islands could become self supporting.

The federal government has been advocating diversified farming but the farmers are rather slow to adopt it, especially in Hawaii. Its advantages are obvious. The income of a farmer should not be dependent on a single production. Any industry has a price cycle and the prices go up and down. For this reason, it is safer for a farmer to engage in two or more industries. An intelligent production is extremely beneficial to the consumer.

We cannot place too much burden on the producers. The local merchants who handle the marketing end should also cooperate to put and push the local products on the market.

What we need is a spirit of mutual help. A piece of bread must be shared by two, and a loaf of bread must be distributed all around. There is no room for stocking up the food supplies.

ISHII CLAIMS SOVIET-JAPAN TERMS BETTER

BORDER CLASHES EXPECTED TO LESSEN NOW ON, SAYS SPOKESMAN

TOKYO, Aug. 15—Cordial relations prevail between Japan and the Soviet Union, Koh Ishii, deputy spokesman of the information board stated before the regular press conference today confirming on the Japan Times and Advertiser editorials of August 12 dismissing foreign press reports that Japan has made demands to study the government.

"The official announcement will be made shortly regarding the result of the work of the joint border demarcation commission between Manchoukuo and the Soviet Union," deputy spokesman Ishii revealed, adding that "this indicates good relations between Japan and the Soviet Union" though Japan is now represented in the commission.

Regarding the alleged border clashes between Manchoukuo and the Soviet Union, deputy spokesman Ishii pointed out that the border line between the two countries is so long that disputes will occur from time to time but not so frequently now as in the past.

Turning to the shipping question between Japan and the United States, the deputy spokesman said "there is no development on the question" with Japanese shipping service to the United States remaining suspended.

With regard to the Netherlands East Indies situation, the deputy spokesman said that Yutaka Ishizawa, consul general in Batavia, is conducting trade negotiations with the NEI authorities, which, however, is not making much progress.

The deputy spokesman opined further that an official announcement will be made regarding Hiranuma because yesterday's announcement following the would-be assassin's attack on the Minister without portfolio is enough.

THREE CITIES SAID NEARING COMPLETE END

KRIVOIROG, LOCATED NEAR KIEV, COMPLETELY OCCUPIED

BERLIN, Aug. 15 — According to communiques received here, Krivoirog, which is 220 miles southeast of Kiev has been occupied last night.

Reports further stated that Odessa was encircled by Rumanian forces, which were clearing its way to the Black Sea coast, and Nikolaiev, a Soviet naval base, was threatened by a German and Hungarian armored column.

The western Ukraine was reported facing complete collapse as its defense appeared hopeless.

MOSCOW, Aug. 15—German reports saying Odessa was encircled were denied by Russian officials and was claimed that all advances of Nazis were halted everywhere.

Trio Sentenced on Hartman Case

Peter Aiona, Larry Ahuna and James Aiona were sentenced to three weeks in jail and fined $75 each in connection with the two-month-old E. L. K. Hartman assault and battery case by Judge T. E. M. Osorio of the district court.

The incident occurred on the eve of June 7 at the Hilo Country club where the Hawaiian Civic club banquet was held.

The fact that neither the complainant nor the defendants knew each other previous to the incident lacks motive in the defendants' actions.

Des Moines Puzzled, It Owns Frog Farm

DES MOINES, Ia. (UP)— The city of Des Moines is, for a year at least, in the frog-farming business.

It's a little too much for Harry Millstead, delinquent special assessment collector.

"I've bought churches and beer taverns and businesses, even a soap factory. But this is tops—a frog farm."

The farm was purchased by Millstead for the city at a tax sale for $285 to protect city assessments. The city must wait a year before it can get a deed to the farm.

MINISTERSHIP ASSIGNED TO EMINENT MAN

LUCKY MAN IS EIJI AMAU, FATHER OF THE "HANDS-OFF" CHINA POLICY

TOKYO, Aug. 15—It was understood that Eiji Amau, formerly ambassador to Italy and previously a well-known foreign office spokesman, has been chosen as Foreign Vice Minister.

Chuichi Ohashi, former vice minister, resigned after the cabinet reconstruction dropping Yosuke Matsuoka. Known as the father of the "Amau statement" enunciating the hands-off China policy, which was given out in 1935 when Britain sent a financial mission to China headed by Sir Frederick Leithross, Eiji Amau is affable, frank and straightforward and a brilliant diplomat 54 years old and one of Japan's most active diplomats with deep understanding of the world affairs, developed through 29 years of service in ten different countries.

He was called home from his ambassadorial post in Rome in the memorable Matsuoka diplomatic shakeup in December of last year. Mamoru Shigemitsu, ambassador to London, who is the same age and of the same temperament as well as his closely parallel carreer in the foreign office, is one of Amau's best friends.

Unusual among the diplomats who are mostly graduates of the Imperial University, Amau graduated Kobe High Commercial College doing post-graduate work at the Tokyo University of Commerce. Entering the foreign office in 1912, he served at Antung and Sydney consulates from 1912 to 1916. Elevated to the post of Embassy secretary to London from 1916 to 1919, he began his kalei-

ANGLO-U. S. DECLARATION SAID TO BE MEANS OF HAVING BRIT. KEEP ON FAVORING WAR

Italian Sources Say That Joint Declaration Theatrically Staged But Poorly Acted

TOKYO, Aug. 15—Commenting on the Anglo-American declaration, authoritatives said that the declaration firstly, extracts British pledge to the United States that Britain will carry on war and won't conclude unilateral peace with Germany; secondly, underwrites Anglo-American post-war aims on the Anglo-Saxon world domination; thirdly, also demonstrates Anglo-United States failure to grasp real causes underlying the European war.

Authoritatives said that there is similarity between the declaration of Roosevelt and Churchill and the declaration of Wilson's fourteen points which led to the creation of the league as an instrument for the maintenance of the Anglo-Saxon world hegemony.

TOKYO, Aug. 15—"We make no comment today as it is a big statement which we must study first," Koh Ishii, deputy spokesman of the information board replied before the regular foreign press conference today when asked to comment on the Anglo-American declaration on war aims. The deputy spokesman persisted declining to comment when reminded that the Anglo-American declaration omitted the far East.

ROME, Aug. 15—Italian sources found something ridiculous in the idea of Britain making known its war aims after two years of fighting.

They asserted the joint declaration was theatrically staged but the contents were "uninteresting and unsensational" and declared the promises made by the two nations for self-determination for all peoples and equal distribution of raw materials was a "poorly acted play for sympathy."

TOKYO, Aug. 15—Pointing out that the Churchill-Roosevelt declaration contains nothing new to the Japanese policy, Japan Times and Advertiser wrote as the subtitle of the evening edition "Atlantic Appeal' 'and asserted that the statement is "historic not only of its own composition but because it comprises announced desires of powers no repeat no less than democreacies."

The following are the eight points agreed upon by Roosevelt and Churchill:

1. "Disarmament" of the Axis powers after the war.

2. Neither the United States nor Great Britain seeks aggrandizement.

3. The British and American governments do not wish territorial changes not accorded freely and by the expressed wishes of the people concerned.

4. The governments will respect the rights of all peoples to choose their governments and live under them, and wish the restoration of self-government of those forcibly deprived of them.

5. The United States and Great Britain will endeavor to obtain equal enjoyment of trade and access to raw materials.

6. The governments seek a type of peace which will afford all nations means of living safely within their own boundaries.

DELEGATES OF APL RETREAT FROM CONFAB

FOUR OTHER FOREIGN COMPANIES RETAIN MEMBERSHIP

TOKYO, Aug. 15—In a sudden decision to withdraw from the Trans-Pacific freight conference held here on August 13, representatives of the American President Line demanded immediate return of conference deposit fee of 25,000 yen.

The Canadian Pacific Steamship company left the conference sometime ago, however, four foreign steamship companies namely, American Mail Line of the United States, Blufenner Line of Britain, Maersk Line of Holland and the Darber Welvelmsen Line of Norway are still retaining membership in the conference.

It was understood that the representatives of these remaining foreign steamship companies revealed that they have no intention of withdrawing from the conference.

Signs Serve to Goad Fort Worth Thieves

FORT WORTH, Tex. (UP)— R. R. Myrick, a local painter, will tell you that there is "no humor among thieves."

Recently one of the windows in Myrick's car was broken and he patched it with a board. On the board he warned:

"This car is being watched. If you break in you'll have to trust to luck."

His challenge soon was accepted. A thief broke in and stole approximately $25 in tools. Unchagrined, Myrick repaired the window and repeated the warning.

A few days later the same, or another thief, read the sign and though Myrick was joking. He broke in and stole more tools.

Today police were searching for the bold thief, or thieves, and Myrick was seriously questioning the value of signs.

AMERICA ON GUARD!

Above is a reproduction of the Treasury Department's Defense Savings Poster, showing an exact duplication of the original "Minute Man" statue by famed sculptor Daniel Chester French. Defense Bonds and Stamps, on sale at your bank or post office, are a vital part of America's defense preparations.

Rhea Charters lives with her grandfather, Major Stephen Charters, on their ancestral estate near the little town of Marchester. An airplane factory is being built near by, and a national-defense boom has hit the town, but the Charters are in financial difficulties. The bank is demanding payment on some notes which Stephen Charters can't meet. A man named Michael Carradine has owed him a large sum of money for twenty years, but it's against the old gentleman's principles to "dun" a friend. However, the family lawyer, Mr. Markham, writes to Carradine. The latter replies that he can't pay his debt at present, but is sending his son Jim to Marchester to help Stephen Charters in any way he can. Rhea can't see how this will help and is provoked, especially when she learns from her grandfather that Carradine, an adventurer who invested the borrowed money in oil, could have paid it back in more prosperous times. She makes up her mind to hate Carradine's son.

CHAPTER III

JIM CARRADINE had wired Stephen Charters that he would arrive at the Manor on Thursday, but he timed himself to reach Marchester on Wednesday evening. He wanted to look around and learn what he was getting into. He wanted to talk with that lawyer, Markham, before he went to Charters Manor.

It was growing dark when he descended from the train at Marchester's little station. The multi-colored neon signs along the main street were just coming on.

He stood for a moment, lighting a cigarette, and surveyed the street. This, he had learned, was a boom town. A 1941 boom town.

The glow of his lighter, bright on his face, showed good features, dark eyes, a deeply tanned skin. His clothes were well tailored, and the gladstone bag beside him on the station platform was expensive looking but battered.

His life had been one boom town after another—from the oil fields of Texas to those of South America and back again. But these boom towns of '41 were something else again—offsprings of the war.

A taxi driver came up to him. "Taxi, mister?"

When Jim nodded, the driver lifted the battered gladstone bag and led the way to a cab.

"Where to, mister?"

"A hotel."

"There's two. The Marchester is the best. The Craley ain't so much."

"Make it the Marchester, then."

The Marchester Hotel faced the town square. It was an old building, with quiet dignity. Jim Carradine's interested glance, as he descended from the taxi and paid the driver, told him that the hotel had been one of the town's largest buildings, but now, the boom was putting up new and larger ones. A new movie house, new office and store buildings.

Jim went into the hotel and registered, sent his bag up to the room with a bellhop, then returned to the street.

Walking aimlessly, he reached the edge of town and saw the big, squat buildings of the airplane factory under construction. He

Jim became aware that the waiter had given the girl her check and that she had no money to pay it.

was gripped by a desire to have a hand in all this. He wondered if this Stephen Charters, his father's old friend, was a part of it.

AS HE returned to the center of town, a cafe's sign reminded him that he'd had no dinner. He went inside.

A long white counter ran the length of one side of the room. It was crowded with men on high stools. Tables lined the other side. They were unoccupied except for one where a girl sat.

The girl's back was to Jim as he sat down at a table, but he knew, without seeing her face, that she was attractive. Her shoulders were trim, and her hair, showing under a small hat, was brown with coppery tints in it.

A waiter came, took Jim's order and shortly returned with it. While Jim ate, the place cleared out except for the girl.

He was loitering over coffee and a cigarette, when he became aware that the waiter had given the girl her check and that she had no money to pay it. The waiter grew impatient, then short-tempered, as she frantically searched her handbag. She explained that she must have lost her money.

"Sister, a dame pulled that gag on me this afternoon. Twice is too often!" the waiter snapped.

"It isn't a gag," the girl insisted. "I'll pay you. I'll bring the money—tomorrow morning."

"Nothing doing, sister. I'm gonna call a cop."

"No—please!"

Jim sighed, and took out his wallet. From it, he drew a five-dollar bill, which he folded into a compact wad and tossed under the girl's chair.

"Excuse me," he said, "but if you've lost your money—" As the girl turned to look at him, he saw that she was pretty. "That looks like a bill under your chair. You must have dropped it."

The girl looked down, gave an exclamation of relief, then reached for the bill and handed it to the waiter.

"There!" she said. "If you had called a policeman, it would have been embarrassing—for you!"

When the waiter had brought her change, she rose and walked out without looking at Jim.

HOWEVER, when he himself left the cafe a few minutes later, he found her waiting before the lighted window of a near-by store.

She flashed him a smile and held out the change from the five dollars.

"Thanks, stranger," she said. "You saved my life. Here is your money, all but fifty-five cents. I'll have to owe you that."

Jim would have said, "Keep it," but he knew what the answer to that would be. He could see that this girl was used to holding her head up, so he took the money.

"Are you very broke?" he asked.

Her smile turned wan. "What do *you* think?"

He eyed her speculatively. She was nicely, though not expensively dressed. Light from the store window showed that her eyes were brown, with golden flecks. Her nose had a turned-up pertness. She seemed very young.

"I'm so broke," she said, "that I'm counting on some money that a man owes me but won't pay."

"Much?"

"Forty dollars. A week's salary. He held it back when he fired me. He said I ruined one of his costumes. I sang with the orchestra at his roadhouse until yesterday. I'd been there a month, and I thought the job would last, so I spent most of my first three weeks pay."

"Why didn't the job last?"

"The orchestra leader's ideas didn't jibe with mine, and he happens to be related to Lori, the roadhouse owner."

"Did you say Lori?" Jim asked.

"Yes. Dave Lori. Do you know him?"

"I've heard of him. How do we get to his place?"

The girl's eyes widened. "Say, do you have some idea of going out to the Crystal Club and collecting my money?"

"You need it, don't you?"

"More than a little bit, but Lori is what you'd call tough."

Jim said, "So I've heard. Come on—let's find a taxi."

As he took the girl's arm, he thought, "I'm a fool to mix into this," but he had a weakness for doing impulsive, quixotic things.

BIG BEND NATIONAL PARK

Establishment of Big Bend National Park, which will form the American section of an international "Good Neighbor" park along the Texas-Mexico Border, was assured when Governor W. Lee O'Daniel of Texas recently signed the bill appropriating $1,500,000 for the purchase of the necessary lands on the American side, the National Park Service reported today to Secretary of the Interior Harold L. Ickes.

Congress on June 20, 1935, authorized the establishment of the American section of the park upon acquisition of these lands. Following this Congressional action, which was based on National Park Service recommendations, a joint commission representing the governments of the United States and Mexico, went into the area in the spring of 1936 and established the boundaries of the proposed international park. The report of this joint commission was one of the early tangible results of President Roosevelt's Good Neighbor policy toward Latin America.

Now that the United States has cleared the way for establishment of its part of the park it is believed that the Mexican government will proceed to do the same on its side of the border. All conferences between American and Mexican authorities have indicated such action. The Mexican portion will include about 500,000 acres.

The Texas legislature on May 13, 1939, passed legislation authorizing the Texas State Parks Board to acquire by purchase, condemnation, or donation, lands in the proposed national park area not owned by the State and to transfer them to the Federal Government for park purposes. The appropriation act just signed by Governor O'Daniel will make it possible to carry out that 1939 authorization.

The Big Bend National Park, as designated by Secretary Ickes, will contain 788,682 acres. Of this the Texas State Parks Board holds title to 112,907 acres, leaving 675,775 to be acquired. These are composed of lands owned by railways and private landholders, grants made to soldiers and settlers, and considerable acreage in the title of Texas Public Schools. Before becoming a national park project a part of the Big Bend area was a Texas State park. A Civilian Conservation Corps company has been working in the area for over four years on timber and wildlife protection and the construction of simple roads and trails.

The Big Bend area is the last great wilderness of Texas, and one of the most extraordinary examples of rugged, unspoiled country in North America. It acquires its name from the fast that it lies in the "Big Bend" of the Rio Grande river where it winds between Brewster County, Texas and the States of Chihuahua and Coahuila in Mexico.

The area of Big Bend will make it the fifth largest national park. The four largest in order, are Yellowstone, Mount McKinley (Alaska), Glacier and Olympic.

In sheer, rough, wild beauty Big Bend stands alone. No railroad traverses its vastness, and its few roads are just trails that disappear into the rocky wilderness. The area is a semi-arid plain, verging on desert, through which thrust a group of mountain ranges, notably the rugged Chisos. These are the southermost spur of the Rockies with a top altitude of 7,835 feet. It has been said of the Big Bend of Texas that it is a region which nature herself has dedicated as a perpetual wilderness.

It is a land of contrast, The desert is interrupted by mountain masses, and its streams alternately meander over broad flood plains and plunge through narrow canyons. A dramatic feature is the Rio Grande itself. This stream of song and story cuts a tortuous course through three steep-walled canyons in the park area—Santa Elena, Mariscal, and Boquillas—and wanders over the flat river plains.

The Chisos mountain group in the park is literally a biologic island. Separated from other mountainous sections of Texas and New Mexico by a great expanse of desert, it rises alone a short distance from the international boundary and supports a variety of wildlife more closely allied to the flora and fauna of old Mexico than to existing conditions elsewhere in the United States.

COLONIAL FORT YIELDS SECRETS

DARIEN, Ga. (UP)—The oyster shell floor of an Indian hut, laid more than 200 years ago, has helped archaeologists and historians reconstruct a little known chapter of American colonial history.

Digging around for the site of old Fort King George, known to have been somewhere near the mouth of the Altamaha river, archaeologists uncovered 14 well preserved skeletons, buried in a precise military row.

Striking out from there, they found traces of other graves, and dim outlines of a fortification set up in 1721 as a buffer between Spanish Florida and British Charleston.

SKELETONS WELL PROTECTED

The skeletons they were able to identify were found under a thick layer of coquina—a mixture of crushed oyster shells—which served through the centuries as an excellent protecetion against water. Other skeletons found in the area were fragmentary.

The story of the fort is a drab tale of Spanish and Indian raids, and of fever contracted inthemarshy coastal lowlands. Records show that at least 140 of the small garrison died in five years. From the position of the bodies found and the shallowness of the graves, the archaeologists have surmised that the dead were buried hastily, probably at night, to prevent the enemy from learning of the weakness of the garrison.

CHARLESTON DEMANDED FORT

The fort was set up at the insistence of Charleston burghers as insurance against attack by the Spaniards at St. Augustine. Records show that at first the garrison complained of the quality of provisions sent them by those they were protecting, and as time grew on, and fear of invasion lessened, of the quantity.

Fort King George was abandoned in 1727, when the garrison was recalled to South Carolina, but a small detachment was kept in the neighborhood until 1736, when a band of Scotch Highlanders settled at Darien, up the river from the old fort.

The site of the fort has been purchased by Georgia for a state park. A museum is being erected to house Indian, English and Spanish relics unearthed in the neighborhood.

HILO THEATRE

One of the most successful films to be shown in Hilo this year is "That Night in Rio," which ends its special two-day return engagement at the Hilo theater today.

Shown at a territorial premiere recently, it has been recalled by popular demand.

Technicolor effects never before achieved are highlights of this gay and amusing film, which stars Alice Faye, Don Ameche, Carmen Miranda and features Curt Bois, S. Z. Sakall and Leonid Kinsky.

A series of spicy situations revolve around the fact that two men look amazingly alike. Don Ameche plays both roles, giving a sparkling performance with just the right amount of light touch.

Coming to the Hilo theater tomorrow is "There's Magic in Music," a refreshingly different musical drama starring Allan Jones and Susanna Foster. Background for the film is the summer music camp at Interlochen, Michigan.

PALACE THEATRE

"Rosalinda," delightful Filipino romance set to melody, starring the popular favorite Mila del Sol and Leopoido Salcedo, is showing today at the Palace theater. This film will repeat tomorrow at 12:30 and 2:30.

Two Japanese features, "Maboroshi Jyo No. 3" and "Katei No Hata," will show tomorrow evening at 7:30.

First Nisei Inter Island Softball Tourney Tomorrow

Mainichi Sportorial

The Kokusai Gekijyo and the B. K. Yamamoto teams, which are to take part in the first American Nisei Inter Island softball tournament which starts tomorrow afternoon, put in some light practice at the local Mooheau Park upon their arrival on Wednesday.

Judging from their short and very light practice, it was hard to tell their real power and calibre, but in our opinion some classy playing are in store for the fans who take in the first Inter-island series that is being sponsored by the Nisei league.

For one thing at least the visitors' uniforms will be far more nifty than any of our teams'.

Very noticeable is the fact that the visitors are very much bigger in size than our boys. This may mean that their hitting power is greater, but when it comes to speed and smart ball playing, the Big Islanders can more than match the outside island teams. (We hope.)

Both of the Hilo representatives, Hilo YBA and Dokuritsu, are blessed with the league's best hurlers. Hilo YBA has Tokio Imaino and Susumu Hata, while the Dokurits team boasts of Shizuo Shiigi. These trio should give the Honoluluans as well as the Valley Islanders something to swing at. With proper support and some timely hitting, both YBA and Dokuritsu should make the title chase in the Inter-Island series a hot one.

The Hilo YBA team is the local Nisei league champion, while Dokuritsu finished in the runner-up spot.

The Kokusai Gekijyo team of Honolulu has just completed their season in the Japanese Smile softball league which uses the standard 12 inch ball. The local tourney will play with the 14-inch one and the Kokusai team may have some difficulty in getting used to the big ball.

The 14-inch ball uses the short diamond and plays as well as pitching is much, much faster than in the case of the 12-inch ball.

It was stated, however, that before taking part in the 12 inch ball circuit in Honolulu, the Kokusai team played in the 14-inch league, in which they should very much feel at home in the local tournament.

It is generally regarded that the Kokusai aggregation is the team to beat in the tournament, however, it is our opinion that if the strong and classy Honolulu team wants to bring home the bacon they must be at their very best for the Hilo YBA and Dokuritsu teams are stronger than ever, not to mention anything about the other two teams, B. K. Yamamoto and the Maui All-Stars.

Now that the Men's Nationals are all over, the local as well as the national aquatic interest will be centered in the Women's National championships which will be held at High Point, North Carolina starting from today through Sunday.

Three Maui lassies are doning the Hawaii colors in the coming swimfest. They are. Chieko Miyamoto, National 300 meter individual medley champion; Fujiko Katsutani, two-time National 200 meter breaststroke champion, and Toyoko Takeyama, territorial backstroke champion.

Miss Miyamoto is highly favored to retain her title in the 300 meter medley race and may also cop the title or two in the freestyle events.

Miss Katsutani who after the last National meet had quite a led down will have a race on her hand with Miss Patty Aspinall of Indianapolis who is going great guns this year.

Although Miss Takayama may not cop the title in the dorsal event, she is almost a certainty to place in her favorite swim.

These three girls from the Valley Isle will form a crack medley relay team.

These three girl natators are not expected to walk off with the team honors, for three girls aren't enough, but they will make the going tough for the other teams.

After the girls' meet, the mermaids as well as Coach Soichi Sakamoto and Mrs. Sakamoto, chaperone, will head straight for Los Angeles where they will meet the Maui mermen and together will perform in the great International swimming meet on August 23.

* * * *

It was learned that both Bob Tribble and Carlos Rivas, Honolulu swimmers who took part in the Nationals will not return to the Islands. Tribble is expected to continue high school in San Francisco, while Rivas will enroll in the University of Washington.

ANGLO-AMERICAN DECLARATION SAID TO BE MEANS OF HAVING BRITAIN KEEP ON FAVORING WAR

(Continued From Page One)

7. The signatories reiterate the traditional policy of freedom of seas.

8. They believe that all nations must abandon use of force in international disputes.

TOKYO, Aug. 15—All morning papers which delayed government press till almost 1 a. m. this morning to catch the announcement of Anglo-United States war aims, headlined the news in big letters. While it was too early to obtain authoritative reaction, observers considered it significant in the far East and did not mention the connection of the declaration.

It was pointed out that the term "war aim" was used for the first time in official United States statement such interpreted as bringing the United States closer to active participation in European hostilities. Otherwise the view of abstract ideals and goals of the statement was considered rather anti-clomax.

With the news coming too late for editorial reaction, editorials of all journals, meanwhile, were devoted to domestic developments.

Preliminary Plans Set In HRC Football Leagues

OPENING DATE SET FOR SEPT. 28 -- SUNDYA

SENIOR LOOP ORGANIZATION DISCUSSED; 125 LB. LOOP POPULAR

Undaunted by the enforced depletion among their ranks through compulsory military service, teams in the HRC barefoot football league met last night with President John H. Beukema to lay preliminary plans for the season.

Teams present set the opening date at Sunday, September 28, and went ahead to re-elect all of last year's officers, with the exception of the vice-presidency, giving promise of a full season of games.

Senior Loop Discussed

Besides easing the weight-challenging regulation in an effort to encourage safety precautions, the question of an unlimited or senior football league was also brought up for discussion and gave rise to favorable comment.

Officers elected to another team, besides President Beukema, are Richard Devine, Mitsuji Kasamoto, Dr. Sadaichi Kasamoto, Ray Yuen and Toma Tasaki, directors; C. F. Tong, treasurer, and Doro Takeda, secretary-manager. Elmer De Silva replaces William Whittington, it being felt that one not connected with any teaf would be better.

Weighing Eased

The weight challenging rule was modified so that players in both the 125 pound and 145 pound leagues will be scaled without equipment, at 127 and 147 pounds respectively, and will be urged to play with as complete an outfit as is available. Last year, players had to make the weights with equipment, many of them being forced to play unprotected.

As usual the 125 pound section brought out the most response, representatives from Pirates, Wailoa, Loopers, Waiakea Mill, and Longshoremen being present, the other brackets being still at the discussion stage. The opinions voiced indicated though that should the 145 pound league fall because of insufficient material, chances are very favorable for the formation of a heavier weight, or unlimited weight, league which may bring in Hilo High school.

It was also felt that chances seem right for the organization of a 110 or 115 pound section.

Season Tickets

Of interest to the many backers of the league is the decision reached by members present guaranteeing admittance to all league games to holders of season tickets. Last year misunderstandings arose when no provision was made for an extended season. Holders of season tickets this year will be able to see all the games on the league schedule without any additional fee.

Present last night were: John Beukema, Elmer De Silva, Mitsuji Kasamoto, C. F. Tong, Alex Soares and Minoru Kunieda of the Loopers, Kiyoto Kohashi and Masato Takahata of Wailoa, Isami Uwaine of hte Pirates, Joe Watanabe of Waiakea Mill, Larry Ahuna and Isaac Kamoku of the Longshoremen, Taka Kanda, Doro Takeda and Toma Tasaki of the HRC.

Another meeting is being called in two weeks to lay definite plans for the season and to organize the different divisions. Teams from the outlying districts are expected to join up again.

BADMY PLAY STARTS SOON

HRC NOW RECEIVING COMMERCIAL AND BUSINESS MEN'S ENTRIES

Entries for the HRC commercial and business men's badminton leagues are being received at the HRC office.

These popular badminton circuits are slated to start any time now and another bumper group of doubles teams are expected to take part in this year's leagues.

Started for the first time last year, the round robin circuit drew a total of 36 teams, 15 of which were in the commercial bracket. Matthew Kamelamela and George Martin represented the County to cop the commercial title, while Alex Von Arnswaldt and Eddie Bento of the Fire department copped the business men's title. Tokusato and Maedo of Waiakea Mill won the business men's consolation flag.

The business men's bracket is for the more non-experienced group, while those with open tournament experience are placed in the commercial section. Instead of playing elimination matches teams play on a round robin basis and have a chance to meet each other once.

WOMEN'S BALL LOOP TO OPEN

THREE TEAMS ARE ENTERED; OPENING DATE SET FOR AUGUST 23

With interest in the men's softball leagues hogging the limelight to date, local women's groups haven't had much to say or do, but word received from the HRC office indicates that the popular HRC women's softball league may swing into action Saturday after next, August 23, with games at Mooheau Park.

Entered to date are Jiro Shikuma's Lincolns, defending champions; Alexander Soares' Dairymen ,and Mrs. Diego Ramos' Papaikous. At least one more team is expected before the league gets under way.

TITULAR GAME IN SENIOR LOOP

AMATEURS CAN COP TITLE WITH VICTORY OVER PEPSI COLAS

To end the league, or not to end the league; that is the question which will be decided in final postponed games of the HRC senior softball league slated for this afternoon at two fields.

Playing in the key match of the day will be Mike Steponovitch's Territorial Motors Amateurs against Shiro Ikeda's Pepsi Colas at Kaumana at 4:30 p. m. In the only other game Sada Kawachi's Mooheaus were to show against Alexander Soares' Dairymen at Mooheau Park.

Amateurs can "close the book" and take the 1941 championship by winning today. On the other hand, a victory for Pepsi Colas, coupled with a win for Mooheaus, will throw the leadership into a four way tie among these three teams and Wreckers, who have concluded their schedule of games.

Amateurs went into today's game with a record of eight wins against two losses, Pepsi Colas and Mooheaus with seven wins and three losses, each; Wreckers having eight wins against three losses.

FIVE TEAMS REPRESENTING THREE ISLES

KOKUSAI GEKIJYO, HILO YBA PRE-TOURNAMENT FAVORITES

If the weather permits, the first American Nisei Inter-Island softball tournament will get underway tomorrow starting from 12:30 at the Mooheau Park with five teams from three different islands taking part. This tourney is being sponsored by the Hilo Nisei softball league of which Kiyoji Yamamoto is president.

Teams taking part in the meet are: Kokusai Gekijyo and B. K. Yamamoto of Honolulu; An All-Star team from Maui, who will arrive in Hilo tomorrow morning; and Hilo YBA and Dokuritsu of Hawaii.

Schedules Drawn

A short opening ceremony is slated to precede the opening game tomorrow. According to the drawings made on Wednesday night, meeting in the first game will be Dokuritsu and B. K. Yamamoto. The winner of this match will enter the finals slated for Sunday afternoon at 2:30.

Meeting in the second game tomorrow will be the Kokusai and Maui. The winner of this tussle will play in the semi-final against Hilo YBA on Sunday morning at 9:00 a. m. with the winner again to play the same afternoon for the championship against the winner of the Saturday's Yamamoto-Dokuritsu game.

Must Win Three

According to the drawing of the games, if the strong Kokusai team wants to garner the title they must beat three teams, while on the other hand Hilo YBA, Dokuritsu or B. K. Yamamoto need but two wins. Maui is in the same boat with the Kokusai team.

The Kokusai Gekijyo and Hilo YBA teams will enter the tournament as favorites, but some hard competition is expected from both the Dokuritsu and B. K. Yamamoto aggregations. The Maui calibre of playing is not known, as yet, so the Valley Islanders will enter the tourney as the dark horse team.

Two players of the Kokusai softball team are slated to arrive on today's plane to take part in the tourney, while several more players of both the Honolulu teams will arrive on tomorrow's boat.

意外車内の人

一台の自動車が、突然スーツと、陽子の乘つてゐる自動車の鼻の先へ車體を持つて來てその進路を塞いでしまつたのである。

『あツ、危い！亂暴するなツ』

まつたくそれは、亂暴な運轉振りであつた。

こつちの運轉手がど鳴つて巧に急停車をやつたので、危く衝突は免れたが、ハンドルに獅噛みついてゐる運轉手はまつさをな顏になつてゐた。

すると、前の車のドアを開けて飛び下りて來た一人の男がある。つか〳〵と、陽子の車に近づいて來て、いきなりドアを引いた。

『あツ』

と、途端に陽子は、聲を揚げた。

車内を覗き込んだのは、紛れもない柳太郎であつた。怪我をして熱に苦るしんで、うは話を喋べり續けてゐる筈の柳太郎であつた。

突如として、その柳太郎が茲へ現れて來るなんて、不思議千萬のはなしであつて、それは强がち陽子ならずとも、誰でも驚くのが、當然であらう。

柳太郎が、茲へ來たその理由こいふのは——。

松葉町の糸子の家で、紋さんに冷評され、きまり惡さにさきほど同家を飛び出した柳太郎があの『店へ歸らねばならぬ』こいつてゐたのは皆嘘で、ほんとうは夜の九時頃までに歸れば、それで宜い事になつて居たのである。

それまでには、まだ、だいぶん時間がある。

彼はその間に、龍泉寺町の家へ、母を訪ねて行かうと思ひ付いた。

そしてぶら〳〵と、濱島町の通りまでやつて來た時である。

丁度其處へ、陽子の乘つた自動車が走つて來たのである交通信號で、車は停車したそれが、何の氣もなく舖道にたゝずんで、道の開くのを待つてゐると柳太郎の目の前であつたのも不思議の緣である。そして不圖車内を覗いてみて、彼ははつと奇異の思ひに打たれた。

こいふのは、思ひもよらず車の中に陽子を發見したからである、しかも、彼女獨でない。いまひとり、見も知らぬ青年が乘り込んでゐる。

猶氣を留てよく見ると、陽子は、何やら不安さうに、始終そは〳〵としてゐるのである。

また、相手の青年はこいふことどう見ても眞面目な男こは想へない。何こなく物騷な、一こ癖ありさうな面構へである。

『はて、面妖な』

と、柳太郎は、思はず居られなかつた。

信號が變つて、停つてゐた車こいふ車が、まるで魂が入つたやうに、一齊に動き始めた。

その中で、丁度一台の空車を見つけると、これ幸ひと、柳太郎は、早速それに乘り込み、

『おい。あの車を尾行するのだ』

こいつて、運轉手に命じた車はやがて、上野山下から急に方向を轉じた。

その時不圖、柳太郎の頭を掠めたのは下根岸の風間の家のことであつた。車は、その方角に向つて走つてゐるのだ。

柳太郎が不圖陽子の上に感じた一抹の不安が、だん〳〵濃くなつて行くやうに感じられる。

陽子がそろ〳〵西澤猛こ名乘る青年を疑ひ始め、爭ひの持ち上りかけたのも、ちやうこその頃からであつた。

そして間もなく、こある空地沿ひの、淋しい路に差しかかつた。愈々下根岸も近くなつたころである。

次第に激しくなつて行く陽子らの爭ひが、後の車の、柳太郎にも、あり〳〵こ窺はれるほどであつた。

『お い運轉手。前の車を追ひ越してくれ、そして停車させるんだ』

柳太郎は、足踏み鳴らして命令した。

物資缺乏の中にも果實を購ひに田舍にゆく英婦人

色の黑いのが自慢

戰ふ獨逸女性

有閑婦人姿を消す

總る職場に立つ

戰時下ドイツにおける女性の活躍はめざましい開戰こゝもに女子は男子に代はつてあらゆる勞働戰線に立ち出した今日、郵便配達夫の八割は女だし、驛の開札、汽車や、市電、バスの車掌などに女がどん〳〵增えて行く。

開戰直後、强制勞働法が發布される、ドイツで今最も勞働力の不足に惱むのは軍需工業であるが强制的に軍需工業に廻された女子は非常に多い主こして今までは百貨店や贅澤品を賣る店で働いてゐた若い女達が工場にまはされたが、この頃では子供のある女までがこの方面にふり向けられようこしてゐる。

年輩の婦人も

今ドイツにはイタリヤ始めオランダ、ベルギー、フランスその他占領地の勞働者數百万が働いてゐるのだが、それでも勞働力は不足だ、この前の演說でヒツトラー總統は女子の動員を强調した。

百貨店の賣子、喫茶店の給仕、煙草賣などにこのごろ相當上品な年輩の人を見かける兎に角いはゆる有閑婦人こいふものは戰時下のドイツでは許されない。賣笑婦も、日本の藝者に當るキヤバレー、バーのテイツシュ、ダーメも何らかのまこもな仕事についてゐなければ、軍需工場へ廻される。晝は工場で働いて夜パーに出てくるものもある、多くのものは三ケ月こか短時間工場で働いて歸つて來る。

雄々しく戰線へ

だが工場では女のからだに耐へぬいはゆる重勞働はさせないが、今までからだを動かさなかつたものが工場で働くこなるこ相當の苦勞は覺悟せねばならない。ひこ頃女子は家庭に纏れこいはれたものだが戰時下の今日ドイツは女子もまた勞働戰線に立つて戰爭遂行の、役を買はねばならぬこされてゐる。

一方ナチス婦人會や、ビーデー・エム（女子青年團）エン・エス・ヴイ（福祉增進局）ナチス處女隊などに屬する多數の女子は、工場の勞働者こして働く女性の保護、子供の養育のほか各所で戰線に輸送される兵士の世話、負傷兵の看護などに當つてをり、なほまた軍隊のすぐあこを追て占領地に行き、家を失つた避難民の救濟に當つたりすることもあり文字通り女も總動員の形だ。

暇に肉體を鍛ふ

ドイツの女について感じることは、女が男に劣らぬくらゐ肉體的に强いこいふことだすい靴下には相當困るらしい今は夏だから靴下なしで歩いてゐる女も多く見受ける。女の帽子はまだ切符制度の制限はない。

服のセーデもつぎ〳〵こ新しいのが考案されてゐるやうだが、特に戰時色、國防色を現したものなどないやうだ、戀人を戰線に奪はれた娘達が多いせいかカフエーやレストランに女同士のお客が目につき、劇場などは女が男の數よりも遙に多いのが目立つたこころである。

次第に激しくなつて行く陽子らの爭ひが、後の車の、柳太郎にも、あり〳〵こ窺はれるほどであつた。

『お い運轉手。前の車を追ひ越してくれ、そして停車させるんだ』

柳太郎は、足踏み鳴らして命令した。

重役醫學

人間の體には非常に不思議な本能があつて、いつでも不安なもの、危險なものを避けようこし、自分の位置を最も安全なコースにおかうこする例へば何か傳染病にかゝつたこするこ、醫者がそれを決定できるのはこにかくある一定の誰の目にもつく症狀こならなければならないのだが、さういふ傳染病學の厄介になる前に、をかしいぞこいふ勘こいはうか、顫感が出てくる。これはまこに不思議な自己保存の本能で、その人だけにわかる。いかに名醫こ雖も及ばない。名醫は感染から發病までの潛伏期に病名をあてる人ではなく、發病してからまだ條件のそろはないうちにその正體を看破するので、この場合經驗を經た主觀が最も有力な役目をもつ。育兒の豐富な經驗のある母親などはまだごく初期に小兒科醫や皮膚科醫に先んじて痲疹の診斷をつけてしまふ。

こころで、こゝに私のよんで重役醫學こするいかにも興味のある豫防醫學について上にのべたやうな原理をつけ加へよう。

重役らしい働きをする人は大部分その人なりの醫學をもつてゐる。單に重役だけでなく、平均的なものを顚倒して精力的にからだを活動させる人は、自分のからだの能率はかうすれば最もあがるものだこいふここを心得てゐる。

例へば疲勞なぞへの豫防醫學は著しいものである疲勞こは何かなぞいふ問題ではない。いかにして疲勞を防ぐかまたこれを早急に回復するかを具體的に實行する。疲勞こはこにかくいつもの通りに仕事ができない狀態であるのだから、これは至急回復しなければならなからう。普通のからだでは一時間や一時間の睡眠不足にそんなに耐へられない筈はない。

酒をのむだけならば翌日こもなふ疲勞は僅である。酒だけで終らないこ疲勞はすつこ加はる。殊に疲勞を豫防するには朝だけは心身潔白にしておくここだ。この場合ヴイタミンシーや性ホルモンの注射がしのいでくれる疲勞は僅のものである。むしろ三十分の午睡に如くはない。いら〳〵した精神狀態、不安な皮膚痛は最も速かに消失する。

早期の老衰を防ぐ最善の方法は規則正しく眠ること。ローランドはその著でいふ。疲れる商賣のものはなまじ運動やハイキングより眠つた方がよくはないかこ私は思ふ。いくら飲んでも、もつこ進んでも、それがつづいても絕對につかれやう、不死身こいはれる人がある。しかしこの人もよく觀察してゐるこ實に用心深く巧に自分のからだをうごかしてゐるここに氣附く。

重役醫學を無力型體質の人たちは大いに學ぶべし（筆者は傳研所員）

外務次官天羽氏起用
現代の外交は一歩誤れば
日本は破滅するかも知れぬ
物色された外交畠錬達堪能家
「老兵再度御奉公だよ」と至極明朗

【東京十五日發】豊田外相は大橋前次官の後任補充については現下の微妙なる國際情勢の推移に鑑みその詮衡に愼重を期し外交畠の錬達堪能家を物色中であつたが、前駐伊太利大使天羽英二に白羽の矢を立て交渉の結果、去る十三日天羽氏の承諾を得たので十五日の閣議に附議決定、山本次官心得の解任辭令と共に即日左の如く發令された

從三位勳二等　天羽　英二
任外務次官
東亞局長、外務次官心得

山本　熊一
外務次官心得ヲ免ス

【東京十五日發】超非常時の日本外交を背負つて邁進する豊田外交の女房役として外務次官に就任した天羽英二は德島縣出身、本年五十五才、大正元年東京高商卒業後外務省に入り支那、英國、濠洲、スキスに任勤、次いで廣東總領事、駐ソ大使館參事官を經て昭和八年本省に歸り情報部長となつたが、滿洲事變に際しては時のアメリカ國務長官スチムソンを向ふに廻して所謂天羽聲明を發して世界をうならせたことは有名だ、昭和十二年情報部長からスキス公使に伊太利大使を最後として昨年末野に下つたが、十ケ月振りで又本省に返り咲いた譯だ元親任官の大使から勅任官の次官に格下にはなつたが、そんなことは一向頓着なく天羽さんは此の日、東京クラブで至極明朗に『老兵再度御奉公だよ』と語り出した

豊田さんとは情報部長時代から友達だからよく知つてゐる、今度數回次官就任を希望されたが、今更自分などの出る幕でもなし、中に澤山適任者がゐる譯だからお斷りしたのだが強つてと云ふことでお引受けしたのです、お役に立つものは何としても御奉公しなくてはならない秋だよ、だから僕も一兵士として滅私奉公する覺悟だ、本年春日本に歸つてからは殆ど國内を旅行

英の對日輸出品
許可証全面取消
實質的に我に痛痒なし

【東京十五日發】英國政府は十四日對日輸出品の發給濟み許可證を全面的に取り消すと共に輸出許可制を擴大適用する旨發表したが、今までの英帝國ブロックに輸出される重要商品はすべて輸出許可制のもとに置かれてをり又最近凍結令により輸出を制限すると言ふ二重取り締り措置を講じてゐたので今回新たに許可制のもとに置かれるその他の全商品については我方で輸入するものは殆どないから差しあたり痛痒は感じない、發給濟許可證の取り消しは多少の影響はあらうが、之とても資金凍結により實質的に制限し得るので直接的影響は頗る薄い、むしろ問題の中心はチヤーチル、ルーズベルトの會談直後の對日壓迫強化を狙つた政治的ゼスチユアと解される

大義名文に對し
献身的奉仕望む
佛ダ副首相の就任挨拶

【ビシー十五日發】ダルラン副首相は十四日午後ラヂオを通じ全版圖の佛陸海空軍全將校に對し國防省就任挨拶をなし

余はペタン主席により明示された方向に向つて佛陸海空軍を導いて行く覺悟である、將兵諸君はペタン主席によつて雄々しくも守られてゐる佛蘭西の大義名文に對し献身的奉仕されたいと演説した

駐泰米公使

日泰兩國公使館を
双互大使館昇格
初代大使に坪上氏を起用

【東京十五日發】日泰兩國公使館を双互に大使館に昇格せしめる件に關し政府は十六日左の如き情報局發表ならびに外務當局談を發表した

情報局發表

帝國政府は日泰間の歴史的友好關係を一層增進するの見地に基づき同國政府と協議の結果兩國公使館を双互に大使館に昇格せしむる事に決し昭和十六年八月十六日在泰國帝國公使館を大使館に昇格せり、尚我が方は初代駐泰特命全權大使として坪上貞二を起用する事に決し既に泰國政府のアグレマンを取つけたり

外務當局談

泰國は南洋における唯一の獨立國にして我が國とは歴史的に特種且つ緊密なる關係を有し殊に最近日泰兩國の關係は日ゝ共に深交の度を加へつゝあることは世人の等しく之を認める所である近年兩國關係は愈々密接ごなり先づ昭和十二年十二月調印の友好通商航海條約による治外法權撤廢を始め客年六月には日泰友好條約が締結せられ、先般泰佛印間の國境紛爭問題に關し帝國政府は之が調停の任に當り圓滿なる解決を告ぐるに至つたが、右に關連し本年五月には政治的諒解に關する日泰間の議定書が調印せられ最近は去る八月五日に泰國は滿洲國を承認するに至つた、更に經濟方面に於ても兩國の有無相通の緊密關係は益々密接ごなり

外相とは知合で
萬事好都合だ
抱負を語る坪上大使

【東京十五日發】初代泰國大使の重責を盡す事になつた坪上貞二は打ち合せのため十五日午後外務省に出頭、赴任の抱負を次の如く語つた

私の南方についての經驗は大正十五年頃香港に在任した事がある位であつて乏しい、泰國には知人もないが兎に角これから一所懸命に勉強する心算だ、こう云ふ重大な際だから本省ゝ出先ゝが充分に緊密な關係を持ち一体ごなつてやらねばならぬ、幸ひ豊田外相ゝ私は浦潮で官補をしてゐた時からの古い知り合だから萬事好都合だ、こんなに南方情勢がむつかしい時にはお互によく理解して東亞共榮圏の確立に邁進するやう努めなくてはならないごと信じてゐる、兎に角こんな際だから至急飛行機でも赴任したいごと思つてゐる

【ワシントン十四日發】ルーズベルト・チャーチル會談につき消息筋ではル大統領の方では英國が獨逸と單獨媾和するの危機を防止する事を目的としており、チャーチル首相の方では又獨逸の對ソ工作終了後其の攻撃が英國に集中される場合、米國が鉾を執つて起つ確約を得んとしたもので然も此の目的を兩者共今回の會談によつて達成したと見てゐる、共同宣言の逐條點檢による印象は米國的表現で書かれてゐる事でチャーチルの文章と云ふよりはルーズベルトの文章である、又其の思想的背景も第八條だけは多分にチャーチル首相振りであり英國的だが、外は全部米國的思想だと言ひ得る、是等八ヶ條を以てウキルソン元大統領の十四ヶ條と對比するものが多いが實際根本的には何等の違ひがない、第八條の如きはベルサイユ條約還元行つてゐると言へる樣だが第四ヶ條は特に對日關係を考慮してゐるものだとも取られるが兎に角是は七月二十二日のウェルズ國務次官の演說の思想と關聯がありのヨリ良き未來に對する希望を託してゐる、兩國の國家政策に對する共同原則を發表する必要を認めた（八項目別電參照）

第四ヶ條中に對日餘地を殘す

洋上會談は英米の駈引

【ワシントン十四日發】ルーズベルト・チャーチル會談につき消息筋ではル大統領の方では英國が獨逸と單獨媾和するの危機を防止する事を目的としており、チャーチル首相の方では又獨逸の對ソ工作終了後其の攻撃が英國に集中される場合、米國が鉾を執つて起つ確約を得んとしたもので然も此の目的を兩者共今回の會談によつて達成したと見てゐる、共同宣言の逐條點檢による印象は米國的表現で書かれてゐる事でチャーチルの文章と云ふよりはルーズベルトの文章である、又其の思想的背景も第八條だけは多分にチャーチル首相振りであり英國的だが、外は全部米國的思想だと言ひ得る、是等八ヶ條を以てウキルソン元大統領の十四ヶ條と對比するものが多いが實際根本的には何等の違ひがない、第八條の如きはベルサイユ條約還元行つてゐると言へる樣だが第四ヶ條は特に對日關係を考慮してゐるものだとも取られるが兎に角是は七月二十二日のウェルズ國務次官の演說の思想と關聯がありの關係及び極東政策等に就て相當突ツ込んだ意見の交換が行はれたと確聞する、極東政策に就いては此の後で英米兩國政府が共同宣言でも發表するのではないかとも傳へられてゐるが差し當つては積極的措置には出ず全般の軍事的對策を進めながら暫らく日本政府の出方を靜觀する方針を解されてゐる

日本の動向を今暫く靜觀の肚

軍事的對策のみ進める

重慶政權の不滿

今回の會見はルーズベルト大統領の發意に基づき前後三日間に亘り大西洋上で極秘裡に行はれ是にはビーバーブルック英軍需相、ホプキンス米武器貸與計畫局長官等の英米兩國政府の要人、陸海空軍の首腦が參加したと見られ、又發表された平和目的以外に特に武器貸與法に留まらず米國よりの對英軍需品援助、英ソ兩國の對ソ聯物資援助、ダカールを中心とするビシー政府との關係及び極東政策等に就て作戰協定の範圍にまで及んで相當突ツ込んだ意見の交換が行はれたと確聞する、極東政策に就いては此の後で英米兩國政府が共同宣言でも發表するのではないかとも傳へられてゐるが差し當つては積極的措置には出ず全般の軍事的對策を進めながら暫らく日本政府の出方を靜觀する方針を解されてゐる

【上海十五日發】重慶來電によれば今次の英米共同宣言の內容は言葉最小に過ぎ具体的內容に乏しい點に於て重慶首腦部の失望を語つてゐる、殊に重慶側の最も期待してた對日政策に就ては一言も觸れなかつた事は英米側が猶一抹の對日融和の餘地を殘してゐるのではないかとの印象を一般に與へ不滿の的となつてゐる、一方ラチモアが蔣政權の政治顧問として着任して以來重慶の動向が全く米勢力により左右されてゐる事に對す非難の聲が漸次昂つてゐる事は今次宣言の與へる影響と共に注目に價する

日本に對し猶餘地を殘してゐる印象を受ける、然し對獨關係に就ては和平觀念を一掃し英米の戰爭目的の確認を聞明したものであり要するに今次宣言は平和目的は主でなく從であると思はれる

ビシー佛政府も皮肉る

【ビシー十五日發】ビシー政府スポークスマンはルーズベルト・チャーチル共同聲明に就き十四日次の如き批評を加へてゐる

ルーズベルト・チャーチル共同聲明は要するに前大戰に於けるウキルソン米大統領の十四ヶ條の宣言を短く公平な分配を確約した民主々義國家は今次の宣言により世界民族の同情を求めんとしたもので英米人種金權主義者の利己的な考へ方を如實に表現したものと見られる。
