of Price Administration regulations in the Territorial Courts. It is believed here that a similar territorial act would be valid which provided that any person who violates any order, rule or regulation heretofore or hereafter issued by the Military Commander of the Territory of Hawaii Military Area pursuant to Executive Order number 9489, shall be deemed guilty of a misdemeanor and punishable by fine or imprisonment, or both.

I mention the Office of Price Administrations proposal merely for your information and study and do not desire to submit a similar recommendation to you at this time since I would prefer to await the outcome of the legislation requested by Office of Price Administration .
