## THREE KOREANS WERE HANGED THIS MORNING

### TWO DIED BRAVELY AND ONE GAVE IN

A NIGHT OF CRIES OF TERROR AND BLASPHEMY IN MURDERERS' ROW—THE TWO MEN SUSTAINED BY RELIGIOUS CONSOLATION GO TO THEIR DOOM WITH COMPARATIVE CALMNESS—ALL MET PAINLESS DEATHS.

Three Korean murderers, two of whom died bravely, while the third, after a night of shrieking and blasphemy was held helpless with terror on the scaffold, were executed in Oahu prison this morning. In each case the execution was perfect. There was not a motion by any one of the three unfortunates after the trap was sprung. In each case the neck was broken immediately and there was no suffering of physical pain. Wo Miung Sook did not spend the usual murderers' "quiet night" before execution. At about two o'clock this morning he roused Murderers' Row in the jail by his cries, alternately of terror and bravado. He called for wine and wanted to try to enjoy himself. This man broke down at the last. He had to be supported on the scaffold and was speechless in the last awful mo-

### NERVY NAT AND THE GRAND JURY

SOCIETY FOR PREVENTION OF CRUELTY TO ANIMALS FAILS TO MATERIALIZE, AND ITS WIDELY HERALDED PROMOTER IS SAID TO BE SEEKING PASTURES NEW—GET-RICH-QUICK SCHEME THAT DIDN'T WORK.

"Nat" Weinberg is said to have abandoned his intention to start a Society for the Prevention of Cruelty to Animals here and to have decided instead that he will move to pastures new. The reason for the decision is reported to be that the grand jury organized itself as a Society for the Prevention of Graft, and it didn't like Nat's work. In fact it is said to have reached the conclusion that Nat was raw and there was pikia in sight for Nat.

The prevention of cruelty has not been going ahead very fast, but Weinberg has been getting busy with a

concern known as the "Prudential" loan or funding society, the successor, it is stated, of the Fidelity Funding Company. The Prudential scheme was in the nature of a get-rich-quick proposition, with its patrons in the get-poor-quick class and its organizers enjoying the quick riches part of it. There were complaints among Japanese who went into the scheme and didn't get rich either quick or slow, and the matter was taken up by the grand jury a couple of weeks or so ago. It is not known whether there have been any indictments found, but there are well founded rumors that Nery Nat is to try some other field.

### KIHEI TAKEN OVER

RUMOR THAT KIHEI PLANTATION HAS BEEN TAKEN OVER BY MAUI AGRICULTURAL CO.

There is a persistent rumor on the streets to the effect that the Kihel Plantation has been taken over by the Maui Agricultural Company and will be operated as a part of the business of that partnership. Although nothing definite has been given out to that effect, business men about town believe that there is but little reason to doubt but that it is true.

It is said that for some time the Maui Agricultural Company has been trying to obtain this plantation and the news that it had succeeded in doing so did not come as a surprise to the business men of the place.

J. P. Cooke when seen in regard to the matter stated that he had nothing whatever to say.

Last Thursday the stock was selling at \$8.125 when it dropped to \$7.75 where it stood until yesterday when it went to \$5.50, and today it sold at \$9.

"MORGAN."

The La Paloma has probably sailed for San Pedro and that is the reason that Mr. Hobson has received no word from Clarence Macfarlane to whom he cabled some days ago.

San Pedro is a port near Los Angeles in Southern California. June 11, is the greatest Hawaiian holiday.

### PLEA FOR KOREAN NUMBER SIX

REV. J. W. WADMAN GETS A LAST STATEMENT FROM THE MAN WHO TESTIFIED AGAINST CHANG CHEE YUEL, DENYING THE TESTIMONY THAT APPEARS OF RECORD—A FURTHER APPEAL FOR CLEMENCY POSSIBLE.

The case of Korean Number 6 is probably not done with yet. The Rev. Dr. Wadman, who has interested himself all along in the Korean cases and who attended the men executed up to the last, yesterday secured further evidence which he regards as strongly showing the innocence of No. 6, whose name is Chang Chee Yuel. As a result the matter may be taken up again with the Acting Governor. "The testimony against No. 6," said the Rev. Wadman this morning, "was by Wo Miung Sook, one of the three executed today. Yesterday I took No. 6 to the cell of Wo Miung Sook. The two men greeted each other warmly as friends and I asked the man who was about to be executed regarding his testimony as to No. 6. He denied ever having given any such testimony. He said No. 6 was his friend and that instead of saying that No. 6 had helped to torture the victim of the murder, he had said that a Korean named Yee, who belonged to the same gang as himself, but was not tried for this crime, nor called as a witness, said that No. 6 had done so, but that he, Wo, did not believe it, as he had not seen him. "I am afraid there were mistakes in interpretation in the case and that this was one of them. The whole case shows that it is the duty of our government to see that there are competent interpreters for this class of cases. If we cannot get such men here we should send for them, no matter what is the expense, for certainly it is worth any cost to insure a fair administration of justice."

### Progress of Kekauoha's Hearing

BOARD OF IMPEACHMENT SITTING THIS AFTERNOON AS A COURT HEARING TESTIMONY.

The Board of Impeachment met at 2 o'clock this afternoon to resume the case of Deputy Sheriff George Kekauoha on trial of malfeasance in office.

Present were Chairman George W. Smith, Supervisors Moore, Archer, James, Lucas and Cox.

Paul A. Thompson was the first witness sworn. He was called out of order in order that he might return to his duties as clerk of the Circuit Court. He had in his custody a transcript of the testimony in the case of the Territory vs. Akina. The County Attorney wished to enter the manuscript as evidence.

Achl raised an objection but was overruled.

Achl raised an objection to the chairman ruling on questions raised. He said that the entire Board should act so that it would be fair to his client.

Chairman Smith stated that he was authorized to do so by a vote of the board.

### "I Need New Vitality."

When you feel exhausted—when you grow tired easily—when you lose patience with the little cares of daily life—when you feel that your hopes and ambitions are not as high as they used to be—when you spend a sleepless night—when you get up almost as weary as when you went to bed—when you feel "used up" most of the time.

These are all signs that your nerve forces are burning low.

These are signs that you need new vitality.

You need the nerve strength and new vitality that Paine's Celery Compound will give you.

Paine's Celery Compound feeds new power to your nerves.

Nothing that is written or printed can give you any idea of the full luxury and delight of being always at your best, able to live your life for all there is in it.

You cannot understand it until you have once felt the exultant thrill of the abundant new nerve force made by Paine's Celery Compound.

### Mrs. Elizabeth Whalon tells how she found "new vitality."

Wells & Richardson Co., Burlington, Vt. Gentlemen:—"For a woman in advanced years Paine's Celery Compound is an ideal tonic. My life has been full of burdens and cares. Rearing my family and caring for my home, with a few outside interests, occupied my time, and with much illness in my home my strength has been taxed to the utmost. I did not find any help until I took Paine's Celery Compound. It relieved the great strain on my nervous force and gave me such added force and vitality that the other members of my household used it, feeling greatly helped in time. Having used Paine's Celery Compound and being convinced of its medicinal value, I take pleasure in endorsing it."  
—Mrs. Elizabeth Whalon, 2629 Third Ave., South, Minneapolis, Minn.

Try Paine's Celery Compound to-day. Take three days' treatment. See how much better you feel. See how much more easily the trials roll away. For over 17 years Paine's Celery Compound has been the most universally used nerve vitalizer and tonic in the world.

Remember this—Paine's Celery Compound is the prescription of one of the most famous physicians this world has ever known, Prof. E. E. Phelps, of Dartmouth University.

All reputable druggists recommend and sell Paine's Celery Compound.

### MOROCCO.

Ion Perdicaris, the American who was abducted by Raisuli, the Moroccan bandit, in 1904, has an important article in the May number of Appleton's Magazine on "The Morocco Conference." Mr. Perdicaris, though a citizen of the United States, resided in Morocco, near Tangier, more than thirty years, and was chairman of the International Committee that administers the local affairs of Tangier. He has written a very keen analysis of the Moroccan situation. Mr. Perdicaris shows clearly just how the United States is interested in the imbroglio that is causing the European diplomats so much uneasiness and how invaluable our friendship is likely to be to the three great powers more directly concerned.

That during the incumbency in office of said Curtis J. Holt as Deputy Sheriff aforesaid, he, the said Chris J. ## BRITISH ENGINEERS TO THE FORE

### THE CONSTRUCTION OF THE TEHUANTEPEC RAILROAD HAS BEEN LEFT TO ENGINEERS.

The Star is indebted to Edward Pierce of Waipahu for the following interesting clipping from the London Daily Mail of April 21:

"One would have thought that any big railway undertaking in Central America would go to American engineers. Despite the disadvantage of England's great distance from Central America, however, the reconstruction of the Tehuantepec railway which is 180 miles in length, and connects the Pacific and Atlantic oceans, was entrusted to the English firm of which Sir Westman Pearson is the head.

"British steel rails were found to be the best, and the British plans and materials for the harbor works, upon which \$20,000,000 is being expended, were also so far ahead of those of other nations that they might almost be said to have been unrivalled.

"British enterprise has arranged, too for a fleet of eleven steamships, averaging 10,000 tons each, to connect the railway with New York on the Atlantic side and the with Hawaiian Islands and San Francisco on the Pacific.

"This," says Sir Westman Pearson, "is going to be one of the great routes of the world. It will compete with the American transcontinental railways, and will divert some of the traffic that now goes round Cape Horn and by the Suez Canal."

JAPANESE HERO GAVE HIS LIFE

LAST SUNDAY IN AN UNSUCCESSFUL EFFORT TO SAVE A DROWNING COUNTRYMAN.

tween the two executions, and repairing a wire. The first two murderers dropped simultaneously, died in 15 1/2 and 18 minutes respectively.

At precisely eight o'clock High Sheriff Henry began the reading of the death warrants. For some time the Rev. J. W. Wadman and the Rev. Okamoto and the Rev. Moon had been with the prisoners.

Kang Yong Ok was the first man to whom the warrant was read, Moon interpreting. The prisoner listened without a word, but his general expression and demeanor were anything but those of the callous indifference to death which is often said to characterize Asiatics.

While Bok was being bound the High Sheriff read the death warrant to the man in the next cell, Wo Miung Sook, who had made the night hideous with his cries.

The Rev. Wadman accompanied both murderers to the scaffold, also the Rev. Moon. Wadman offered a brief prayer, asking forgiveness and mercy for the condemned and following it with the Lord's prayer.

Doctors Moore and Pinto attended Bok and Doctors West and Haida Sook. Bok was pronounced lifeless in 15 1/2 minutes from 8:23, the time of the drop, and Sook in 18 minutes.

In the meantime Shim Miung Ok had spent all his time in prayer. He lay prostrate on the mat in his cell, face downwards and never ceased to offer supplications in tones which were audible all over Murderers' Row.

The murderer spoke a few words, in quite firm tones. "He desires to say that he has committed a grievous sin and that he hopes for divine mercy."

The night and morning were painful ones in Murderers' Row, where five more men await the death sentence. The cell of Frank Johnson is opposite that of the three men to whom the death warrant was read this morning.

# BOARD OF IMPEACHMENT TRYING DEPUTY SHERIFF

DEPUTY SHERIFF KEKAUOHA PLACED ON TRIAL LAST EVENING BEFORE THE BOARD OF SUPERVISORS SITTING AS A BOARD OF IMPEACHMENT—TRIAL PROMISES TO BE LENGTHY—MANY WITNESSES ARE SUBPOENAED IN THE CASE.

The Board of Supervisors last evening met and on motion of Supervisors Moore resolved itself into a Board of Impeachment to try the case of Deputy Sheriff Kekauoha charged with malfeasance in office.

The following members were present: G. W. Smith, chairman; Supervisors Moore, Archer, Cox, Lucas and Paole. The clerk read the minutes of the previous meeting of the Board of Impeachment held on May 6, 1904. The minutes were approved.

Kekauoha was represented by Attorney William C. Achi. The defendant entered a plea of not guilty. Mr. Hanel was appointed sergeant-at-arms to take charge of the witness.

Supervisor Lucas moved and Supervisor Moore seconded that the chairman rule upon all matters. The motion was carried.

Attorney Achi raised an objection to action taken by George W. Smith as chairman of the Board in overruling the demurrer interposed by Achi at the first meeting of the Board. Achi claimed that Smith disqualified himself to sit on the Board. Chairman Smith said that he was willing to let the Board decide whether he should sit or not.

Achi further said that Smith had expressed opinion as to the guilt of the defendant. He claimed that it was not fair for his client to be tried by a prejudiced Board.

County Attorney Douthitt answered stating that the overruling of the answer was made by mistake owing to the ignorance of laymen in the practice of law. He asked for the reading of the minutes. There was nothing in the minutes to show subsequent action of the Board rectifying the mistake.

The matter was settled by Achi offering to let the overruling by Chairman Smith go after the chairman acknowledged his mistake in the matter.

Achi raised the plea that the Board had no right to try his client as one of the members was absent.

Chairman Smith referred Mr. Achi to Section 55 of the County Act which states that a majority of the Board may dispose of such business as may come before them.

The charges against Kekauoha were then read by the clerk. They consisted of three distinct charges that Kekauoha was guilty of malfeasance in and misadministration in office. The first charge was that Kekauoha had tried to defraud a Chinaman of his rights to a fair trial, and trying to defraud him of his property by confiscating a shotgun property of the Chinaman. The second charge was that Kekauoha had tried to settle a case out of court for the sum of \$250. The third charge made was that Kekauoha had refused to assist the Sheriff of the County in a murder case in his district. He also was charged with negligence in leaving the murderer, whom he had arrested, in the custody of a 15-year-old boy.

Upon the motion of the County Attorney Thomas Kearns was appointed the official stenographer of the case. He was sworn in by Chairman Smith.

Attorney Achi entered his answer to the charge which stated that Kekauoha denied all of the charges. Achi objected to the County Attorney holding private intercourse with the chair. Mr.

## HAWAII SHIMPO ON ALATAU T. ATKINSON

THE DAILY JAPANESE PAPER GIVES NEARLY A COLUMN ON THE LIFE OF MR. ATKINSON.

The following is from the Hawaii Shimpo of May 23, 1904 and is a tribute to the memory of Alatau T. Atkinson who died recently:

It is proper that the Japanese of Hawaii should express their regrets at the death of Alatau T. Atkinson, the former Superintendent of Public Instruction, and their appreciation of his useful career. The best years of his life were given to the cause of education and more than any other one individual he developed the school system of the islands, which, be it said, in spite of unprecedented difficulties in its way, is modelled upon as advanced a conception of the public duty in this regard as any system in the world.

In planning his work as an educator the late Mr. Atkinson faced problems such as do not confront the men in charge of such affairs elsewhere. The heads of such departments in other parts of the world have only to organize schools which shall properly train the children of their own race. Mr. Atkinson worked amid a population of a dozen races and, as distinguished from those who held the narrow view that only their own children should be given the benefits of free schooling, he always held that it was the duty of the state to educate all to give all an equal chance under the laws. This is a high development of the greatest feature of American government. It carried the American doctrine of equality before the law into practice under conditions of greater difficulty than other communities have had to encounter. It was the view that prevailed. The result was organization of a school system for which Hawaii is famed among educators. Those who have come here and studied the system have been enthusiastic in their praise. Not long ago it was suggested that teachers who are to serve in the Philippines as heads of the

American system there might profit by first coming to Hawaii and seeing how she had grappled with the race problem in education.

In so far as the whole community is benefited by anything that improves the culture of any of its members, bettering the quality of its population, all Hawaii acknowledges its debt to the man who gave his best efforts for the cause of such betterment. But the Japanese, especially, appreciate the policy that gave them equal right in the schools and respect the memory of the man who did so much to bring it about, to make the schools good ones.

Mr. Atkinson always saw and stuck to the civic duty of giving all the young their chance to attend school and qualify themselves for life's struggles. The members of the races who might not have had such benefits especially owe allegiance to his memory for this work.

Those who knew the superintendent personally have written of him in the press he also served. The editor of the Shimpo who had the honor of some years' personal acquaintance, besides expressing the Japanese respect for Mr. Atkinson's memory, would add his own words of appreciation and mourning. Those who knew Mr. Atkinson saw in him a scholar and a thinker, an eloquent and powerful writer and a strong organizer, and more than this,—they could not but feel in his presence, the influence of a true heart and a broad human charity and friendship.

**LARGE FUNERAL SUNDAY.**  
The funeral of the late Manuel Almeida who died last week took place Sunday afternoon from his late residence on Punchbowl street, interment being in the Catholic cemetery on King street. The deceased was a member of the Lusitana Society and the Holy Ghost Society and these organizations attended the funeral led by the Conzordia band.

**A METHOD.**  
"I wouldn't touch a penny to which I hadn't a legal right," said the conscientious man.  
"Of course not," answered Mr. Dustin Sax. "The thing to do is to have lawyers employed who can show you the legal right."

DEATH HAD TAKEN PARENTS HE SOUGHT

NEWSBOY TRAMPED STREETS OF BAY CITIES FOR TWO WEEKS TRYING TO LOCATE PARENTS.

OAKLAND, May 4.—Willie Kohler, a newsboy fifteen years old, searched patiently for two weeks for news of his parents, whom he lost on the day of the earthquake disaster at 123 California street, San Francisco, only to learn yesterday that both are dead. Every day since the disaster Willie during his spare moments, searched about the streets of San Francisco, walked through all the Hearst relief camps, questioned every passerby for the whereabouts of his parents. He saw them last on the fatal morning when their home was shaken into ruins and the occupants all fled in fear. For two weeks no one was able to give the faithful little chap any news of the father and mother for whom he sought. Wherever he searched the only reply to his questions was a shake of the head, sometimes a kind word, occasionally a small coin, with which he might buy food for himself and his little ten-year-old sister, but learned nothing of the whereabouts of his parents. Yesterday Willie in his daily tramp through the streets of San Francisco met a guard of one of the San Francisco companies. The guard had known Willie's parents and from him the boy heard that both parents had been killed on the second day of the fire by a blast of dynamite. The remains of the elder Kohlers lie in some unmarked grave in one of the squares of the city.

"It ain't no use to cry now," said Willie stoically. "I got to rustle for a living now for sister and myself." To show evidence that he was able to do this the little fellow produced a handful of silver which he had made during the day selling papers. He was compelled to borrow his original capital with which to buy papers, but the loan was quickly earned and returned. Now the boy is working with a clear field ahead. He has a grandmother resident in Fruitville at Twenty-third avenue and Twenty-first street.

CRISIS OF GIRLHOOD A TIME OF PAIN AND PERIL

Miss Emma Cole Says that Lydia E. Pinkham's Vegetable Compound has Saved Her Life and Made Her Well.

How many lives of beautiful young girls have been sacrificed just as they were ripening into womanhood! How many irregularities or displacements have been developed at this important period, resulting in years of suffering!

Miss Emma Cole

A mother should come to her child's aid at this critical time and remember that Lydia E. Pinkham's Vegetable Compound will prepare the system for the coming change and start this trying period in a young girl's life without pain or irregularities. Miss Emma Cole of Tullahoma, Tenn., writes:

Dear Mrs. Pinkham: "I want to tell you that I am enjoying better health than I have for years, and I owe it all to Lydia E. Pinkham's Vegetable Compound."

"When fourteen years of age I suffered almost constant pain, and for two or three years I had soreness and pain in my side, headaches and was dizzy and nervous, and doctors all failed to help me."

"Lydia E. Pinkham's Vegetable Compound was recommended, and after taking it my health began to improve rapidly, and I think it saved my life. I sincerely hope my experience will be a help to other girls who are passing from girlhood to womanhood, for I know your Compound will do as much for them."

TRYING TO SAVE GIRLS IN PALAMA

ATTORNEY GENERAL WRITES A LETTER TO SHERIFF BROWN ASKING HIM TO ENFORCE LAW.

As a probable growth out of the work done in Palama by the Rev. Mr. Rath and also in line with the sermon by Bishop Restarick on Sunday last, Attorney General E. C. Peters wrote to Sheriff Brown yesterday and called his attention to Section 2293 of the revised laws of Hawaii and asked the Sheriff to aid in enforcing them.

The section of the Revised Laws referred to, follows: "Sec. 2293. SCHOOL CHILDREN PROHIBITED IN CERTAIN PLACES WHEN; PENALTY. All keepers of coffee, victualling, liquor and billiard saloons and blowing alleys, and also sugar mills, are hereby strictly forbidden to allow any school children, boys or girls, to remain upon their premises at any time between the hours of sunset and sunrise, unless the same be accompanied by their parents or guardians. Any keeper of a coffee, victualling liquor or billiard saloon or bowling alley, upon whose premises any school child, boy or girl, may be found between the hours above named, unless he same be accompanied by its parents or guardian, shall be deemed guilty of an offense, and shall be punished by a fine of not more than twenty dollars upon conviction, and his license may be revoked by the Treasurer, in his discretion."

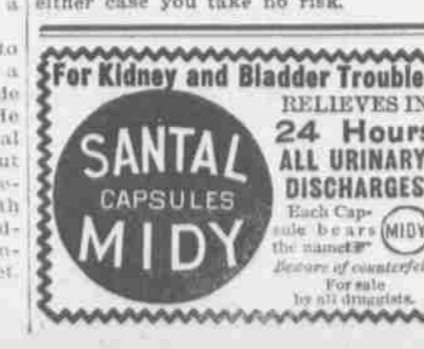

It is claimed that in the coffee shops throughout Palama many young girls are led astray by men who hang about those resorts. It is to try and do away with this that the Attorney General has taken up the work.
