Enclosure B
P 1PARAPHRASE OF SECRET WD RADIOGRAM DATED OCTOBER 7
No. 572 (CM-OUT-2321), 10/7/42.

1. Your plan of evacuation of Japanese delineated your radio 3329, October 2, approved for execution with following restrictions:

- a. Total number to be limited to 3,000 unless four months' notice given as to further requirements.
- b. Total you are authorized to evacuate still 15,000.
- c. Total of any one shipment limited to 1,500.
- d. Data as to background of persons being evacuated in each shipment to precede or accompany evacuation.
- e. All detailed arrangements to be made with Western Defense Command and direct communication with that organization is authorized.
- f. Submit without delay to War Department and Western Defense Command an estimate of the size and date of each increment you expect to ship.
- g. Include in report number of evacuees desiring repatriation, if any.

2. Legality of above evacuation being assured by extension of authority for evacuation now held by defense commands to Haw Dept. Under your status as Military Governor and presidential order, you will have ample authority to order evacuation of any alien or citizen Japanese you deem potentially dangerous. Believe evacuation generally should not proceed on voluntary basis, and consider it both undesirable and unnecessary to make any attempt to coerce consent.

3. Following is information you requested on relocation centers:

- a. Detailed booklet being forwarded by airmail.
- b. Grade and high schools available.
- c. All centers have hospital facilities.
- d. Professionally skilled persons such as doctors, dentists, and nurses urgently needed.
- e. Although some factory work is available, employment generally is in agricultural jobs.
