THE KING'S POSITION.

It is a matter well known and constantly spoken of in private, and it might as well be said in public, that the King is responsible for the present condition of affairs.

He has treated with contempt the unanimous expression of opinion of the entire planting industry of the Kingdom. He has flatly refused the reasonable request of a majority of the most influential and conservative citizens of Honolulu, giving no valid reason therefor, and retains in office men whom he knows to be totally unfit and untrustworthy. He makes his prime minister of a social outcast, and openly confessed swindler, and hugs him but the tighter to his bosom, the more his evil ways and unconscionable practice are exposed.

It is with regret that we are compelled to make this statement. We have not fawned on Royalty heretofore, but we have refrained from stating a well known fact out of regard for the office, and in the vain hope that it would be unnecessary to speak thus plainly. But things have come to the pass that continued silence would be at the expense of the public good, and we shall speak of the King hereafter in terms free from vituperation but plainly. He has placed himself in a position antagonistic to the best interests of the whole nation, and as an incumbent of such a position it is our duty as public journalists to discuss his acts.

THE KING'S REPLY.

IOIANI PALACE, July 7, 1884. H. WATERHOUSE, Esq., D. KAHANU, Esq., C. M. COOKE, Esq., and others.

Gentlemen:—I am commanded by His Majesty the King to inform you that the petition which He received from your hands; praying Him to ask His Ministers to tender their resignations, has had His earnest consideration.

His Majesty is ever anxious to know and consider the well-being of his subjects; and whereas other petitions have been presented to Him, expressing an opposite view to the petition presented by you; and Whereas, the intent and purpose of the petition submitted by your

Committee is to express a want of confidence in His Ministers, and was followed by a vote of the Legislative Assembly, which failed to express a want of confidence in them, as His Constitutional Advisers, therefore, For these and other considerations His Majesty does not deem it consistent to disregard this expression of the Legislative Assembly.

I have the honor to be, Gentlemen, Your most obedient servant, CHARLES H. JUDD, His Majesty's Secretary.

The King has spoken, and what does he say? He says that "other petitions have been presented to him expressing an opposite view" and that a vote of the Legislative Assembly "failed to express a want of confidence" in the Ministry; that "for these and other reasons he does not deem it consistent to disregard this expression of the Legislative Assembly."

For what "other reasons" he does not deign to say, and with what he does not "deem it consistent," is equally uncertain.

If as a matter of fact the Legislature had failed to express a want of confidence in the Ministry, nothing would have been more consistent with the King's previous conduct than to immediately demand their resignations. In 1876, 1878, 1880 and 1882 a vote of want of confidence in the Ministry was defeated by large majorities; in 1882 the vote being 34 to 10, and yet in each of those instances the Ministry was dismissed from office within a few days after the Legislature had expressed its confidence in them. The King quibbles, and trifles with the people when he says that "other petitions expressing an opposite opinion" have been presented to him. The "other petitions" like the vote of the Legislature, are the offspring of the very men concerning whom they speak.

The King basis his reply there 1st—On a decision of the Legislature, which as we have already shown, is in no sense an expression of the opinion of the country, and would have been to the contrary but for the individual votes of the Ministers themselves. 2nd—On "other petitions," which were gotten up by Mr. Gibson and circulated by his employes and Government officers, and signed by a rabble of irresponsible persons; petitions which had never received the endorsement of any public meeting or of any prominent or responsible citizen. 3rd—On "other reasons" which are not indicated. Unless the unexplained reasons are better than the detailed ones, it is not a matter of surprise that they are not given.

MORE DEVELOPMENTS CONCERNING MINISTERIALS LAW OFFICE BUSINESS.

THE number of Leases of Government lands made since January 1, 1882 is stated by the Report of the Minister of the Interior in reply to the Resolution of Hon. J. I. Dowsett, to be 45.

This Report omits one interesting little transaction however. In March, 1882, the lease of the land of Kapahu Hilo, Hawaii, containing 1,200 acres, for a term of 10 years, was put up at auction. It was knocked down to J. E. Bush, Trustee for the King, at an annual rental of \$2,050, he having bid \$50 higher than Mr. A. Lidgate, who bid \$2,000. No rent was paid by the King, and after 19 months, coming to the conclusion that he had paid too dear for his whistle, he surrendered the lease, which surrender was accepted by the Minister of the Interior, and the lease again put up at auction and knocked down to the Laupahoehoe Sugar Co. at only \$800 per annum. As \$2,000 has been bid at the previous sale, by a responsible bidder, the government is the loser of \$1,200 a year rent by the operation.

Of the 45 leases which are stated in the schedule, only 26 were advertised for sale, and the other 19 were given out privately without any competition, in addition to the four entered leases, 3 of which to W. M. Gibson, and this in the face of a law which expressly commands, that all leases and sales of land over \$300 in value shall be sold at auction.

The following is list of leases made without advertising: No. 310—Yim Quong, Jan. 1, 1882, Chinese Theatre Lot, Hono-

lulu, Oahu, 10 years, \$360 a year.

No. 317—H. R. H. Liliokalani, May 15, 1883, Portion of Kaauwaeloa, Palolo, Honolulu, Oahu, 10 years, \$60 a year.

No. 318—Mrs. Noa Opiopio, May 15, 1882, Portion of Kaauwaeloa, Palolo, Honolulu, Oahu, 10 years, \$40 a year.

J. S. McGrew, April 28, 1883, Hawaiian Hotel, Honolulu, Oahu, 15 years, \$2,500 a year.

No. 319—D. Taylor, May 23, '83, Lot near beach, Lahaina, Maui, 20 years, \$30 a year.

No. 324—His Majesty, Sept. 1, 1883, Lokos of Kaihikapu, Lelepana, Moanalua, Honolulu, Oahu, 15 years, \$200 a year.

No. 330—J. Nakaleka, Feb. 15, 1883, Ahupuaa of Mako Makole, hau, Molokai, 20 years, \$150 a year.

No. 331—W. H. Cummins, Mar. 13, 1883, Tract of land between Nuu and Kepio, Kaupo, Hana, 20 years, \$100 a year.

No. 332—W. H. Cummings, Mar. 13, 1883, Nakulu between Nuu and Waioape, Hana, Maui, 20 years, \$260 a year.

No. 334—Trustees Lunaliio Estate, Sept. 1, 1882, Land at Kou and Kapoina, Waihee, Maui, 5 years and 3 months, \$500 a year.

No. 335—S. G. Wilder, Jan. 1, 1883, Marine Railway, Honolulu, Oahu, 15 years, \$4,500 a year.

No. 336—Her Majesty Kapiolani, April 23, 1883, Waiakoa, Pulehuiki, and Kamehameiki, Kula Maui, 30 years, \$100 a year.

No. 338—H. Turton, May 15, 1883, Lahaina Store House, Lahaina, Maui, 5 years, \$80 a year.

No. 341—H. Hackfeld & Co., June 1, 1883, Land at Waikiki-waena, Honolulu, Oahu, 20 years, \$700 a year.

No. 343—His Majesty, May 19, 1883, Island of Mokuueo, Moanalua, Oahu, 30 years, \$50 a year.

No. 245—D. W. Pua, et al., July 25, 1883, Ahupuaa of Hanakopai, Napali, Kauai, 30 years, \$25 a year.

No. 350—A. A. Montano, Sept. 26, 1883, Land in Manoa, Honolulu, Oahu, 10 years, \$25 a year.

Claus Sprecke s, Oct. 12, 1883, Water privileges Kohala and Hamakua, Ahupuaa of Awini, land of Laupahoehoe, Honopue, and other Government lands between Poilou and Waipio, Hawaii, 30 years, \$500 a year.

No. 356—Kawainui Bros., April 1, 1884, Building on Merchant st., Honolulu, Oahu, 1 year and 6 months, \$400 a year.

There is no doubt an inside history connected with a number of these transactions, a few of which we have ascertained. Lease 330 to J. Nakaleka, is for 20 years of an Ahupuaa containing 2,087 acres of land. It may be that the fact that J. Nakaleka has for a number of years been the representative from his district had nothing to do with his obtaining this land by private contract; and it may be that he is a blind follower of the ministers irrespective of the dictates of his conscience, but—Leases 331 and 332 are to W. H. Cummings of lands in Hana, and in Kaupo adjacent thereto. It may be a matter of no consequence that W. H. Cummings is the Manager and principal owner in the Reciprocity Sugar Co.; and it may be that the fact that J. E. Bush who as Minister of the Interior leased the land to Cummings, is the President and a large stockholder in the Reciprocity Sugar Co., is also an immaterial point; and the fact that the land is now used to pasture the Reciprocity Sugar Co.'s cattle, may be merely a coincidence, but—

THE POLITICAL SITUATION.

(From the Planters' Monthly.)

"Every planter and every other intelligent citizen of these Islands has been watching with solicitude the course of the Government during the past two years. The public administration has been in the hands of men in whom the country has had no confidence. Recent developments have only deepened the anxiety which all have felt since the accep-

tion of this administration to office.

"Words of warning have not been withheld. Earnest and manly admonition and protest was made by the planters in October, 1882, after the adjournment of the last Legislature, and shortly after the Government was placed under the control of Walter Murray Gilson.

"The memorial presented to His Majesty on that occasion will go down to history as a solemn protest of loyal men, who sought no special privileges nor class benefits. That protest was published in the Planters' Monthly for November, 1882, and we now republish it to show how correct were the views then entertained, and as a warning for the future:

MEMORIAL TO HIS MAJESTY THE KING.

HONOLULU, Oct. 18, 1882.

TO HIS MAJESTY KALAKAUA.

"Your Majesty:—At the annual meeting of the incorporated Planters' Labor and Supply Company held in Honolulu upon Monday, the 16th inst., the Company took under its consideration the position of this country with reference to the United States Reciprocity Treaty, and the course of administration of the affairs of this Kingdom as affecting our staple products and great industries. "At an adjourned meeting of the Company held upon Tuesday, the 17th inst. the following resolution was unanimously adopted: 'That a Committee of Nine be appointed to communicate to His Majesty the sentiments of this organization in relation to matters concerning the

interests of the industry which we represent.'

"Pursuant to this resolution, and fully recognizing that the Constitutional Right of Petition of the Sovereign, including as it does the Right of Remonstrance against whatsoever may be deemed to be injurious to the public interests, ought always to be exercised within all proper and usual limits of official courtesy, the undersigned respectfully beg to assure Your Majesty that the entire planting community of this Kingdom, without exception as far as is made known, are of the opinion that the course of Your Majesty's present Ministry is not conducive to the public interests, nor the interests of Your Majesty which are coincident with, and depend upon the public interests. The only public exponent of the views of the present Ministry has advocated the view that the Sovereign of this constitutional government may lawfully and properly take a personal part in influencing the elections of the elective members of the Legislature, and in influencing and controlling the votes of the Legislative Assembly. It is believed by the planters of this country that such a view is opposed to all correct theory and practice of any constitutional monarchy and tends to the manifest injury of every member of the body politic."

"The undersigned are aware that it is Your Majesty's wish to be well informed concerning the views and wishes of the Planters' Company, and, as has been intimated by the public organ of the Ministry, that a temperate expression of such views and wishes will receive your unqualified support. In this assurance the undersigned beg to assure Your Majesty that if, after that consideration which is due to such important affairs, it shall please you to call to your cabinet men in whom the monied classes and other classes have confidence, and to impose upon and leave to such men the responsibility as well as the authority to administer the government strictly according to the spirit of the Hawaiian Constitution, which makes its Ministers responsible, your government will receive a kind and amount of public support which cannot be given to its present administration.

"It is not the object of the planters, or of their committee to propose for Ministers any individuals or to express preference for any nationality or clique over any others, but with all due respect, and with the utmost regard for the welfare and happiness of all the people of these Islands, to express, as we do now express, an earnest hope and belief that the views and wishes of the planters will receive Your Majesty's careful consideration and meet with the response which is due to the large interests which we represent.

"We have the honor to remain, very respectfully, your obedient servants. (Sigd) Z. S. SPALDING, Chairman. JONA. AUSTIN, ROBT. R. HINDS, APOLO HANEBERG, ALFRED S. HARTWELL, WM. H. BAILEY, ROBT. HALSTEAD, E. P. ADAMS, H. P. BALDWIN,

"The only response made, received from the self-styled 'Premier,' was the following: DEPARTMENT OF FOREIGN AFFAIRS, } HONOLULU, October 20, 1882. } To Messrs. Z. S. Spalding and others, Committee of the Planters' Labor and Supply Company:

"Gentlemen:—By command of the King, the undersigned has the honor to respond to your memorial addressed to His Majesty.

"You, as a Committee of the Planters' Labor and Supply Company, have been authorized "to communicate to His Majesty the sentiments of this organization in relation to matters concerning the interests of the industry we (you) represent." You have not thought proper, however, to communicate for His Majesty's information any views in relation to immigration, cultivation, or other matter pertaining to the interests of your company as an industrial organization; but have instead presented for His Majesty's consideration your dissatisfaction with the Advisers of the Crown, and with the opinions of a journal that is not an organ of ministerial opinion, and has no connection whatever with

the position or prerogative of the Sovereign.

"I and my colleagues fully recognize the privilege of any and all subjects of the Kingdom to discuss the conduct of public officers, and to endeavor by constitutional means to bring about reformation of public administration.

"Such a course is open to you, gentlemen, to seek "according to the spirit of the Hawaiian Constitution," the amelioration in the management of public affairs you deem necessary for the public welfare.

I have the honor to be, Your most obedient servant, (Signed) WALTER MURRAY GIBSON, Premier."

THE LEGISLATURE

MONDAY, JULY 7—Continued.

Salary Jailer of Oahu Prison \$3,600. Mr. C. Brown moved this item be struck out as there was no such person.

Mr. W. O. Smith said the sanitary state of the jail, and the want of system and responsibility were not satisfactory. I consider the Ministers are responsible for this state of affairs. The Deputy Marshal who is in charge of the place, does not sleep there. I would ask the Minister of Interior to inform the Assembly how the jail was run without a head Jailer.

Minister Gulick said that at the time of the death of the late jailer certain alterations in the jail were contemplated, such as remodeling, occupation of prisoners, &c., which could not be carried out without Legislative sanction. This would necessitate workshops, &c. If it were thought best to teach the prisoners trades, it would be necessary to employ suitable inmates. In view of the change to be made, the jail was carried along up to the time of the Legislature, with the hope that something definite would be arrived at during the session.

Mr. Smith said there was no item on the appropriation bill for the contemplated changes. The explanation given was anything but satisfactory. There ought to be great changes in the management of the jail and in the Marshal's department.

Mr. Kalua said, I am in favor of an item for salary of Jailer, but I have been told by one lately released from the jail that the guards were were in charge. The Deputy Marshal, Mr. Dayton, merely goes there for a short time each day, walks into the office and turns over some books, and goes home again to sleep. The prisoners, after returning from their daily labor, gamble for money which they have earned during the day. Prisoners are often kicked and beaten for trivial offences. The late turkey, Malahi, would knock a man down and render him insensible in one blow.

The item was finally passed as in bill. Guard of Oahu Prison, \$7,000. Passed.

Support of Prisoners, \$60,000.

Mr. W. O. Smith moved this item be referred to a Select Committee. Notwithstanding all the suggestions that have been made about prisoners working within the prison walls, no attempt or experiment had yet been made. The only answers received are: "Its no use," "Cannot change the present system." The management of the Reformatory School is excellent. Every offence renders one liable to fine and imprisonment. For not having a light on your carriage you are liable to imprisonment.

Minister Gibson said, I second the motion. The Government might do well to accept the services of the Hon member as a prison reformer, and would benefit by his experience in the matter. The item passed as in the bill.

Mr. Hitchcock moved that the pay of Road Supervisors be referred to a select committee. Carried.

The committee rose, and the President appointed on the Special Committee, Messrs. Hitchcock, Rowell, Gardner, Kaulia and Kaunamano.

Third reading of a bill to amend Chapter 34 of the Session Laws of 1882, relating to the suppression of diseases amongst animals. Passed.

TUESDAY, JULY 8. The House met at 10 A. M., but it

Contrary to the opinions of some eminent chemists, Dr. H. Struve holds that in the quality of the albumenoids in cows' milk and human milk there is no difference, but the latter has a smaller proportion of nitrogenous matter, especially of casein.

Bread is made on the Devonshire coast of England from sea-grass, *Porphyra laciniata*, which is chopped and mixed with a little oat-meal. It will keep from four to eight days, and the people who use it are fond of it.

In condensing the vapors of a bread oven there was found in the resulting liquid 1.6 per cent. by volume of alcohol and 0.06 per cent. by weight of acetic acid and small quantities of ferric acetate and of ammonia.

Dr. J. C. Petters is the author of a theory that scarlet fever originates among horses, and that each case can be traced to them. He strengthens his opinion by many facts and arguments.

It is discovered that prussic acid is an antidote to strychnine, but it will have to be administered with great care, for the dose required would itself be fatal but for the presence of the strychnine.
