

3 (Sub-Dispensaries)

Sub-dispensaries are located in the Kitti and the Metalanim districts, and on the islands of Mokil, Pingelap, Kusaie, Ngatik, Kapingamarangi, and Nukuoro. There is also a minor sub-dispensary or first aid station in "U" district, Ponape and in Utwe and Malem on Kusaie. Plans for a new inpatient building on Kusaie have been approved by the Civil Administrator to replace the poorly located structure now in use. Construction will be accomplished by the Kusaians without cost to CAU except for a small quantity of nails and cement.
