NEW STEAMER FOR INTER-ISLAND SERVICE WORKLESS STRIKERS GIVEN NOTICE

TO TAKE UP KAPIOLANI LOAN

**GERMAN SAVINGS
LOAN WILL BE PAID**

Campbell Estate Will
Take Over Loan Of
\$100,000

The Campbell Estate may take over the mortgage against the Kapiolani Estate, now held by the German Savings and Loan Society of San Francisco. All of the preliminary arrangements have been canvassed, and the papers are now being prepared.

The deal involves between \$100,000 and \$200,000, the exact figures probably being nearer the latter sum.

Through the deal, an immense quantity of securities, now in the possession of the mainland financial institution, will be returned to Hawaii, and the interest, which is now going out of the Territory, will remain here. The deal is one of the most important that has been pulled off here in months.

The exact particulars regarding the

ALAMEDA HAS 42

The agents of the S. S. Alameda are in receipt of the following wireless from Captain Dowdell, sent May 17 at 8 p. m.

"We are having fine weather, 1270 miles off. Forty-two cabin passengers, 1370 tons of freight, 127 bags mail. Well Fargo express."

negotiations are being kept very quiet, and the representatives of the Kapiolani Estate this morning declined to give out any information regarding the deal. Definite corroboration of the report was secured, however, and it was learned that the preliminary transfers have already been made.

It is believed that the transfer of the German Savings and Loan mortgage was responsible for the return of Prince Cupid from Washington. As the nephew, and adopted son, of the late Queen of Hawaii, Cupid is closely interested in the affairs of the estate.

The deal is probably in line with a policy to get the liabilities of the estate in the local hands and may, it is rumored, be followed by other important changes.

ALMY MUST SETTLE TARS' COMPLAINT

Dirigo's Seamen Make
"Kick" Against
Rations

The office of "Judge" Almy, the United States Shipping Commissioner, this morning was turned into an exhibition room. All the exhibits were brought there by the kickers of the ship Dirigo, who claimed that they were not fed with good kailan, during the long voyage around Cape Horn.

"Judge" Almy stated today that the kickers, headed by P. Allen, brought into his office all sorts of sample "grub," which they alleged, they were fed with during the trip down. Some of the exhibits were so unsanitary and unpleasant that they were ordered out of his office.

He stated further that the two parties, Captain Goodwin and the kickers, have signed an arbitration agreement, on which he will base his investigation, to be conducted in a day or two. Almy went down to see Captain Goodwin today, but finding that he was not well, he decided to postpone his investigation until the Captain is well enough to appear before him.

ELKS PREPARING FOR COAST TRIP

Will Have Fine Float
At Convention At
Los Angeles

If the Elks of Hawaii don't create a sensation at Los Angeles in July, when the local herd goes over to take part in the National Convention that is to be held in the southern city from July 19 to July 21, it will be because the thousands of visitors who will see them perform are an extremely biased lot.

For the Hawaiian delegation intends to do things that will make the eyes of the ordinary Elk who comes from Podunk or Kalamazoo "bug out" until they look like onions. The arrival on the scene of activities of the herd from the mid-Pacific will be signaled with a loud noise and things will immediately commence to happen.

Jim McCandless has been sent ahead to spy out the land and to lay out a plan of attack. He has already picked out the headquarters for the Elks of Hawaii, having engaged two fine suites in the Hotel Lankershim, where the trouble will be brewed.

A good-sized delegation, numbering probably 25 or 30, will go over from Hawaii. But that will not be the worst of it, for there is a big crowd of Hawaiian Elks already coveting over the Pacific Coast, and they will be expected to forgather at Los Angeles and join the local bunch, so that the Hawaiian delegation at the convention is expected

New Boat For The I-I. Co.

The Inter-Island Steam Navigation Company will probably place an order for a new combination freight and passenger steamer within the near future. Though a definite decision has not been arrived at, the directors of the company are practically agreed in regard to the project, it is said.

The plan is to construct a ship of the class of the Maui, a craft equally adapted to freight and passenger traffic. There will be more ample passenger accommodations than the Maui boat boasts, and the staterooms will be roomier and more luxurious.

Speed is likely to be one of the notable features of the proposed ship, and the flagship Mauna Kea will have to look to her laurels if present plans are carried out.

When the order for the new craft will be placed has not been decided upon, but there is a general sentiment among the directors to the effect that the vessel will soon be under way.

to number not much under 100. With this number on hand the local crowd has hopes of carrying off the prize offered for the delegation showing the largest mileage. It will probably be a close contest between New York and Hawaii.

Just to let the people know they are on earth the Elks of Hawaii are planning to have the most unique float at the convention, and a subscription to pay for it is already being taken up. The members are contributing individually, and the Elks of Maui, Hawaii and Kauai are joining in with those of Honolulu to make the affair a success.

The float will consist of a grass house with a sail roof. The sides will be banked with pineapples and

LEHIGH WILL LEAVE TELEPHONE COMPANY

Resigns Superintendency
And Will Go To
Mainland

Superintendent W. F. Lehigh of the Telephone Company has tendered his resignation, and will sail for the mainland on the next trip of the Lurline.

Only a short time ago, Lehigh was elected superintendent for another term, but he has decided to retire from the telephone business entirely. He will go to Portland, Ore., where, for the next year or more, he expects to be kept busy looking after his private business interests.

Lehigh has been superintendent of the Telephone Company for the past seven years, having been sent over here by the Pacific States Telephone Company at the request of the local concern. He has been in the telephone business for more than seventeen years.

Who will succeed Lehigh as superintendent has not yet been announced.

Spreckels Tells Of Ruef's Deal

SAN FRANCISCO, May 18. — Rudolph Spreckels was on the stand all day as a witness in the case against Patrick Calhoun, charged with bribing the City Supervisors. Spreckels testified that Ruef offered to create a general strike on the street railways and among the union-controlled industries and thus force the city to sell its bonds at a low price to a syndicate that Spreckels should form. Ruef's scheme was to make a winning on the losses of the city. Mr. Spreckels also told of the relations of the graft prosecution to the supervisors found to have sold out to the railroads, and of the indemnity of the railroads.

THE LIKELIKE, which was loading sugar at Honokaa, when the Mauna Loa left Hawaii, will take 6400 bags of sugar to be unloaded at Kailua. She will take on 60 head of cattle for shipment to Honolulu.

AIEA MEN MAY START WORK

LURLINE HAS 26

Castle & Cooke received the following wireless telegram from Capt. Weedon of the Lurline this morning.

"Eleven hundred twenty miles off. Arrive about noon Friday. Cargo for Honolulu 1000 tons and Wells, Fargo express matter. Seventeen mules for Honolulu. Twenty-two passengers. No mail."

**CAN'T STAY IN
PLANTATION HOUSES**

Ewa Working--Thousands
Of Strike-Breakers
Are Ready

Two Japanese storekeepers who came to town today from Aiea stated to a Bulletin representative that the Japanese workmen of Honolulu plantation held a meeting last night and decided that it would be better for them to return to work and that half of the men will turn out for work tomorrow morning.

Manager Ross was communicated with by phone. He stated that he had heard nothing from the Japanese. There was apparently more visiting between the camps than there had been, but otherwise there was no change.

The men out on strike at Honolulu and Oahu plantations got notice during the day that they will receive no more free wood, and if they do not go back to work by Saturday they will be expected to leave the plantation premises.

This gives the workmen ample time in which to consider what they intend to do and also allows them full notice so far as the occupancy of their dwellings is concerned. They are not recognized as tenants, but they have been treated with all the consideration that tenants might claim.

It has been found that there are plenty of men ready to take up work on the plantations, and the general disposition is to not further allow the strikers to occupy the houses and prevent others from earning a good living.

The strike has been characterized by the most extraordinary state of affairs that must be peculiar to Hawaii. The men have refused to work, and meanwhile they have remained in the houses of the plantations, burning wood furnished them by the plantations. They have been supplied with everything but food and clothes. This shows that the plantation managements have been considerate to the point of their kindness being interpreted as fear. But this is not to longer continue. The plantation must go on and the workmen to run the properties must have homes, so the strikers will be given due notice and paid off if they do not care to work pending a conference with the management.

This was the principal feature of the strike situation during the later morning hours of today. Ewa plantation people are at work and everything is running. All is reported quiet at Wai.

POLE AND LINEMAN FALL TOGETHER
John Nichols, a line man in the employ of the telephone company, was rather badly battered up when a rotten pole fell with him this morning. He is now in the Queen's Hospital, suffering from three broken ribs, a dislocated shoulder and a damaged knee. Nichols was at work on an old pole on Vineyard street near Fort. The pole had been ordered down by the company, and Nichols was doing the preliminary work necessary to prepare the pole for lowering. Suddenly, without warning, the pole gave way, and Nichols came crashing to the ground. Luckily he fell in such a way that he escaped being crushed by the big piece of timber, and his injuries were the result of the fall alone. It is not believed that his injuries will confine him to the hospital long, though he is now suffering great pain.

SHRINERS' EMBLEM BEDECKS HILONIAN

Capt. Johnson Carrying Merry Party Of Pilgrims

Flying the Shriners' banner in honor of the departing Masons, the Matson liner Hilonian, Captain Johnson, sailed this morning at 10 o'clock for San Francisco. Among the Shriners were Wred L. Waldron, Lester Petrie of the Oahu Railway & Land Company; Roscoe Perkins, R. C. Lydecker and Charles Murray. They were bedecked with leis, which almost hid their heads from view. The crowd which turned out at the Matson wharf was one of the largest ever seen for many a day. The Hawaiian band played appropriate selections for the passengers and their friends.

The Hilonian took a large shipment of island products, including sugar, bananas, pineapples and other miscellaneous cargo. Among other passengers who sailed in her was Dr. Takai, surgeon of the Japanese training squadron, under Admiral Tjehi. He has been confined to the Japanese hospital, where Dr. Mitamura and Dr. Haida treated him. He was in uniform.

IRISH COMEDY DRAMA PLEASAS AT ORPHEUM

The Elford company gave a very excellent presentation of Edward Kildner's Irish comedy drama, "The Lesson," at the Orpheum last night. Every member of the company seemed to be at his best; in fact all of the favorites made individual hits. The play was a lot of good comedy in it, and the author must have been an Irishman to thoroughly understand the Irish character. Some of the sayings are quaint enough to be handed down as Quips from the Old Sod. Several songs were introduced by different members of the cast and the Osborn children presented a neat little Cattle

sketch with some old-fashioned Irish jigs that delighted the audience. "The Gossoon" is the offering for tonight. There is a special matinee tomorrow when the play is the laughing oddity, "Hello Bill." The Osborn children will have some Hawaiian songs and their hula dance to please the little folks. The Matinee prices are ten cents for children under ten years and twenty-five cents for adults to any part of the house. Seats are now on sale for all performances.

Pang Ho, a fish dealer, was up before the Police Court this morning on a charge of selling decayed fish. Pang was defended by Attorney Dowsett, who put up an eloquent plea for his client. "Why?" exclaimed learned counsel. "It was not till the inspector inserted his probe into the gills of the fish, that any odor could be noticed. It would take Joe Loal to detect bad fish that way." Judge Andrade made the defendant pay the costs of the action and let him go.

Lester Petrie is among those who left for the States on the Matson steamer Hilonian this morning. Mr. Petrie will go to Europe and, besides being the Envoy Extraordinary of the Promotion Committee in the matter of the 1930 Floral Parade, has been appointed a committee of one to look into the various sports of the different countries in which he will be a visitor.

AUDITORS TO ACT AS PURCHASING AGENT

Will Advertise For Supplies Needed By Territory

Auditor Fisher has sent letters to the various heads of department and to others interested, asking them to submit to him estimates of the supplies they will need for the six months beginning July 1. On the basis of these estimates the Auditor will advertise for bids for the supplies needed, and during the six months the department heads will be supposed to go to the lowest bidder to purchase the supplies they need for their departments. This is carrying into practical effect that purchasing agent clause of Act 62 of the clause which it was found necessary to repeal because its passage had tied up the Territory so that no money could be spent. The Legislature late passed a concurrent resolution, in accordance with the provisions of which the Auditor is sending out the letters.

CASE DISMISSED FOR LACK OF WITNESSES

Four Chinese, Nik Hen Goo, Yen Kwong, Pong You and C. Akana, who have been remanded from time to time on a charge of receiving stolen goods, had their cases nolle prosequi this morning at the Police Court. A. M. Brown prosecuted, and Attorney C. F. Chillingworth and Dowsett appeared for the defense.

On the case being called and the accused being arraigned it was found that the principal witness for the prosecution, Peter Nawai, was not present. Inquiry elicited the fact that Nawai had not been summoned to the court. Dowsett claimed that the prosecution should have brought their witnesses, as the case had been definitely set for this morning. Judge Andrade said something should have been done in the matter and, on the suggestion of counsel for the prosecution, entered a nolle prosequi. It is understood, however, that the four men will be rearrested and care will be taken that the witnesses for the prosecution will be on hand next time.

Kill Off Cockroaches

Easy Way to Get Rid of These Repulsive Bugs.

Nearly every home has the cockroach, and unless exterminated it increases at a rapid rate. At the first sign of a roach, put Stearns' Electric Paste in the cracks and on the shelves at night, and in the morning you can sweep up a handful of dead cockroaches. Stearns' Electric Paste is also guaranteed to kill off rats, mice or other vermin, driving them out of the house to die.

When you go to the store for an exterminator for rats or cockroaches, do not take anything but Stearns' Electric Paste. It is the only one that is sold under a guarantee to refund the money if not satisfactory. It is ready for use and does not have to be mixed with other things, and as it is in paste form, it cannot blow on the food like the powders sometimes used.

Stearns' Electric Paste is sold everywhere, or sent express prepaid on receipt of price. 3 oz. box 16c, 16 oz. box \$1.00. Stearns' Electric Paste Co., Chicago, Ill.

William Schieber, the popular master stonemason of Hanalei plantation, left for a well earned vacation trip to his old home in Germany, by the Alameda. This will be his first trip back to the home country since he first arrived in these islands, on the German immigrant ship "Ehrenfels" in 1883. His first visit in Germany will be with his sister, whom he has not seen for thirty-seven years. The "Garden Island" reporter is credibly informed that this community need not be surprised if Mr. Schieber brings a bride back with him when he returns next September.—Garden Island.

Beware of Imitations.
Cheap Substitutes and "Just As Good As."

Unscrupulous dealers, mindful only of profit and caring nothing for the health of their patrons, are offering for sale low-grade, impure whiskey, which they tell you is as good as Duffy's.

It is a cheap concoction and fraud, intended to deceive the people. Of course, when a remedy has been before the public so long, has been prescribed and used by the best doctors and in all the prominent hospitals, and has carried the blessing of health into so many thousands of homes as Duffy's Pure Malt Whiskey has, imitations are bound to arise. But they can imitate the bottle and label only—no one can imitate the contents.

Duffy's Pure Malt Whiskey is an absolutely pure distillation of malted grain; great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a malt extract, which is the most effective tonic stimulant and invigorator known to science; softened by warmth and moisture, its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

Any firm that will sell imitation or substitution goods will sell impure goods. The firm that is dishonest in one thing would not hesitate to be dishonest in another. Whenever you see imitation and substitution goods offered for sale by a firm, beware of anything and everything put up by that firm. You endanger your own life and the lives of your family and friends by dealing with them.

BWARE OF FRAUDS!
Duffy's Pure Malt Whiskey

is sold in sealed bottles only—never in bulk. A fac-simile of the genuine bottle is printed here so that you may easily recognize it. It is our own patented bottle—round, amber colored and with the name "Duffy's Pure Malt Whiskey Company" blown in the glass. The trademark—the Old Chemist's Head—is on the label, and over the cork there is an engraved paper seal. Be certain this seal is not broken.

It is the only whiskey recognized by doctors everywhere as a family medicine. At all drug-gists, grocers, dealers, or direct.

High School Is Beaten By Kam Ball Players

Yesterday afternoon on the Alexander field the Kamehameha ball team defeated the High School by a score of 4 to 2. It was a good game and was witnessed by the usual crowd of fans; the weather was all that could be desired and the interest in the game was intense.

The Highs scored in their third inning, and then to the tune of two runs. Things looked good for them for a while then, and it seemed as if they would win. However, the Kams scored in the fourth, and then the rooting began in earnest. Robinson scored the run after two men were out. It happened this way: Kamaioili flew; Josiah hit a two-bagger; Robinson hit to short stop, who got Josiah at third, Robinson getting to first safe. McIntyre and Kalmnohehu bunted and Robinson got home safe.

The Kams scored two more in the last half of the sixth, thus putting themselves one run ahead of their opponents. In the seventh they made one more run, Mackenzie doing the trick. In the eighth and ninth inning Akana walked a man, but struck out five, so the Kams held the Highs down, without further score.

The Oahu College seems to have a plaster on the championship of the interscholastic series, and it would take a very bad run of luck to prevent them capturing the coveted honor. If the Kams win their next game and the Oahu College lose both theirs, then the two teams named will be tied for the premier honors. Should the Punahou win one game more they will have the championship clinched.

St. Louis College has to play the Punahou yet, and on paper this looks like a certainty for the latter team, but it is hard to say how any ball game will go now-a-days, as some startling things have happened in all the different league games, and teams that were thought invincible have gone down in defeat to aggregations which were thought to be much weaker.

The present series of school baseball has so far provided some excellent games, and the standard of ball has improved all around. The boys have shown that with the aid of good coaches they can improve wonderfully, and that the schools can put up a class of ball that promises well for the future generation of players.

The standing of the teams and the official score of yesterday's game is as follows:

Punahou	P	W	Pct.
Kamehameha	7	5	.714
High School	8	4	.500
St. Louis	7	3	.428

YMCA Marathon Rules For Race

The following agreement has been signed by all the contestants in the Y. M. C. A. Marathon race, which takes place on June 11:

- To be at Kaploani race track ready for the start at 1 p. m.
- To conduct ourselves both in action and language as gentlemen.
- To furnish our own attendants for the race.
- To instruct and not allow our attendants to set pace or to keep time of our pace, also prevent as much as possible anyone from pacing by running or riding in or on any sort of a conveyance.
- Not to shoulder, step on, touch, interfere or allow our attendants to interfere in any way with any other contestant.
- To abide by the decision of the judges, and to enter a protest within twenty-four hours if fouled, or on sufficient reason, making all claims in writing, addressed to E. H. Hand.
- To report any fouling that may come under our observation that may be done intentionally or unintentionally by any other contestant, and to do so without consulting anyone.
- To go over the course before the day of the race, so as to avoid all possibilities of making any mistake.
- To appear in a neat running costume consisting of half or quarter-sleeve shirt, fly or closed front pants, of any color, with our allotted number fastened with not less than four safety pins, securely to the back of our shirts between the shoulders.
- To finish the race if possible, so long as it does not endanger health.
- To run an extra quarter of a mile within ten minutes of the time we finish the race, in case we tie for first place.

New Military League To Start

The Military men are sure the real thing in the baseball line, and they can be depended upon to keep things going all the time. The latest and best news Honolulu fans have heard for some time is that at the finish of the present military series a new league will be formed, and one more team will enter for the series. The U. S. Engineers are the boys who have thrown down the gauntlet to the rest of the military men, and it is reckoned that the "pick and shovel" lads can put up a dandy game of ball between spells of digging and erecting Uncle Sam's fortifications.

What with five military teams in competition, there will be unlimited joy, and the games should prove just as exciting as the present series are now doing. As most of the Guards will have to go to the mainland for the annual shoot, they will put a substitute team in the field, and rumor has it that this other bunch of players is almost as good as the present team.

The new league will start up as soon as the present series is finished, and then the fans will be treated to some of the best ball ever seen in Honolulu. The interest taken in the soldiers' games is increasing every day, and regret is being expressed that the series is nearly pau. However, no one can worry now, and very soon the fans will be hard at work doping up the form of the new teams.

There is a move on foot to postpone the game tomorrow between the Marines and Fort Shafter till Sunday. It is thought that with the intense interest that is being taken in the series that it would be a pity to play a fine game on a Wednesday, when only a few people could get out to watch the game. Therefore, although it is not definitely settled, it is very probable that some such arrangement will be made. The only drawback is that there would also be a game at Lelehu, between the Cavalry and the Guards, and much as a man would like to be in the two places at once, it is, unfortunately, impossible.

However, the town people want to see ball at home, so everyone can take their choice between the two games—one at Aala and the other at Schofield Barracks. The Guards are certain for the championship now, but wait till the new league starts and watch the Engineers do the trick with the rest of the bunch.

On Sunday also the Invincibles will try conclusions with a baseball team from the Japanese Tennis Club, and it remains to be seen how the racket wielders will stack up against Vierra's bunch of unbeaten ball tossers. The latter team have won every match they have played so far, and their manager is confident that there is not a combination business house team in the city who can put over the Wall Nichols crowd.

It is such good news that it must be repeated: The new league will start up as soon as the present series is pau, and one more team, the Engineers, will enter the competition. Five teams in all, and all trier, too, should provide a baseball treat that will make the fans sit up and take notice. One thing is needed at Aala Park, and that is some kind of old table for the sporting reporters. It is miserable dodging around, first on one foot and then on the other, holding copy paper in one hand and trying to make notes of the game. Any old bench, or even a packing case of decent size, would make the task of the newspaper men a little more pleasant. Think it over, Mr. President.

IRWIN CUP RACE TO BE SAILED SUNDAY.

Next Sunday the race for the Irwin cup will be sailed and all owners who intend entering for the event are requested to notify the secretary of the club before 4:30 on Thursday afternoon. Mr. Newby's telephone number is 718, and he can be notified on the handy instrument. The race will start promptly at 9 o'clock in the morning, and there will be no waiting for the late arrivals, so all those who intend to take part in the race had better be on time. A gun will be fired at 8:55 for the first signal, and the starting gun will be fired at 9 o'clock. All yachts whose fore-masts have crossed the starting line before the gun is fired will be called back and will have to cross the line again.

The course for the race will be as follows: Start from an imaginary line drawn from the spar buoy, at entrance to Honolulu Harbor, toward Pearl Harbor; the judges' boat will act as a lee mark; thence to a stake boat anchored off Koko Head. All yachts must luff around this mark and not luff. Thence to a mark anchored off Pearl Harbor—this must be left on the starboard hand; thence to the bell buoy outside Honolulu Harbor, which must be rounded to port, and finish at the starting line. In finishing, the line will be crossed in the opposite direction to that which the start is made, and should the judges' boat not be there to act as a lee mark, the spar buoy must be left not more than two hundred yards to windward; that is, on the starboard beam.
