FORM 4

3 October 1977

Mr. Oscar DeBrau
District Administrator
Marshall Islands District
Majuro, Marshall Islands 96960

Dear Mr. DeBrau:

The Majuro Dock and Harbor Complex project on Babel Island will require the use of additional areas consisting of a camp site, two trailer sites, and a new quarry site. These areas are shown in red on the attached drawing.

We will appreciate your cooperation in obtaining permission to use the additional areas and including them in the site certification requested in our letter dated 25 August 1977 to Mr. Kame Yamada, Chief, Lands and Surveys, Trust Territory of the Pacific Islands. The new quarry site is being requested since, we understand, the materials in the previously requested quarry have been depleted.

Thank you for your cooperation.

Sincerely yours,
