THE DEMOCRATIC CONVENTION.

Last Evening Elected Its Delegates For the Kansas City Convention.

The Democratic Territorial Convention met in the Drill Shed last evening to elect delegates to the National Democratic Convention at Kansas City on July 4. Nearly every representative district was represented.

Frank Brown was elected temporary chairman and J. M. Sims temporary secretary.

Mr. Rhodes then moved that one man from each district be elected on credentials. Dr. Boote, W. H. Johnson, Eugene Sullivan and J. M. Sims were elected.

After a recess of five minutes, when the committee reported, it was moved that the matter of permanent organization be proceeded with and Colonel McCarthy was nominated for permanent chairman.

Col. McCarthy in returning thanks said that he believed that the Democratic party would exert a great influence in Hawaiian affairs and had great work to do for the future of these Islands. "There are no job chasers in the Democratic party," said the Colonel, "we are all working harmoniously together for the good of the country and the interests of everybody."

E. H. Hart was then elected permanent secretary, after which Col. McCarthy called for nominations for delegates to Kansas City.

Among those nominated were E. B. McClanahan and Captain Campbell. Mr. McClanahan declined the honor, stating as his reason for doing so that he was going to the States on private legal business and that he felt he would not be doing justice to his clients if he went to Kansas City as a delegate. Captain Campbell positively declined to run as a candidate. It was here moved that the nominations be closed.

Mr. Rhodes moved that the Convention elect by acclamation the following delegates to the Democratic Convention to be held at Kansas City: Prince David Kawanakoa, John S. Wise, John D. Holt, W. H. Cornwall, Chas. T. Wilder, now Consul at San Francisco, and W. S. Withers. This motion was seconded and the elections were made by acclamation amid considerable applause.

J. L. Coke of Wailuku, Frank Brown, J. M. Sims, Col. McCarthy, J. M. Camara and Dr. John S. McGrew were then nominated as alternates. Nominations closed and the proposed alternates were elected by acclamation.

E. B. McClanahan believed it was the wise and honest thing for a man to put himself on record. He was in favor of instructing the delegates for whom to vote for President of the United States. He spoke of William Jennings Bryan in eloquent terms, and moved that the delegates be instructed to cast their votes for Bryan as the nominee of the Democratic party for President of the United States.

Permanent organization was the next matter of business before the convention. Resolutions were adopted in the connection.

Mr. Camara moved that the platform of the Democratic party as adopted at the mass meeting last Saturday be approved by the convention. This motion was unanimously carried.

Mr. McClanahan moved that the secretary be instructed to send a wire by the Doric to day to Kansas City, notifying the central committee of the names of the chosen Hawaiian delegates, that seats and accommodations might be reserved for the representatives of these Islands. This will be done.

The convention tendered a vote of thanks to Dr. McGrew and the Committee of Twenty-one for their work in bringing together the con-

vention. A vote of thanks was also tendered the chair and secretary. About 10 o'clock the convention adjourned sine die.

PRINCE DAVID A DELEGATE.

After careful consideration Prince David Kawananakoa has decided to accept the honor conferred on him by the Democratic Convention, and he will to-morrow travel to Kansas City as a delegate for the Democratic Party of Hawaii. The decision of the Prince was hailed by Democrats and Independents alike as a sign of the harmony which exists between the two parties; and the voice of Hawaiians will be heard in the prayer for God speed to the young *Alii* who at Kansas City will represent his people and assure the great politicians who will gather there that Hawaiians are good Americans, and good Democrats *Aloha ke Alii*.

INDEPENDENTS AND DEMOCRATS.

The missionary mob now masquerading under the name of Republicans claims that the Democrats are relegating the Hawaiians into the ranks of "niggers" and are making an attempt to create a race feeling which does not exist here.

It is hardly necessary for us to state that the Democrats have at all times been the true friends of the Hawaiians. Look at their meetings and see the harmony which prevailed. Look at the names of the men who were selected as delegates and judge for yourselves whether they are good men or not. John H. Wise, an eloquent Hawaiian, a man who has suffered because he stood up for his country, is sent to Kansas by a Democratic convention, not because he expressed opinions in regard to the policy of 16 to 1, but because he was a Hawaiian in whom the people took faith, and in whom those who love Hawaii have confidence. Mr. Wise may not be a man of wealth and it will perhaps be a sacrifice for him to represent Hawaii at Kansas but yet he goes, and when he returns he will be received as a true son of Hawaii, a leader among his countrymen.

Prince David is unable to accept the honor conferred on him. We would like to see the *Alii* represent the democracy of Hawaii at Kansas but we respect the reasons which prevent the Prince from placing his name on record as a true friend of Hawaii and a solid opponent of the republicans.

Prince David will be here however. His sympathy will be with his countrymen and even if he is unable to go away at present, he may find it his duty to serve as a senator and throw his energy into the political maelstrom that every true Hawaiian must meet.

Colonel Cornwell and Colonel Holt are men identified with Hawaii and the nomination as delegates will be hailed with pleasure by all "independents."—Colonel Cornwell was born and bred a Democrat and when he reaches Kansas city he will find a host of friends. So will Col-

onel John D. Holt, who is one of our most representative Hawaiians, always to the front when the interest of Hawaii is at stake.

The existing feeling between our local democrats and THE INDEPENDENT shows that a fusion is in progress between the two great local parties. The campaign cry of all will be "vote for the best man, irrespective of politics and personal feelings." And that is the only "sure thing" at the next election.

TOPICS OF THE DAY.

THE INDEPENDENT is well acquainted with the provisions of the organic act, and for that reason we suggested the appropriation of a nominal salary for officials whose commissions would not meet with the endorsement of the Senate. Mr. Advertiser, don't think you know all the political tricks in this commonwealth.

The new regulations for the Post Office Department on and after Admission Day are apparently framed for the public convenience as the hours are lengthened to suit the needs of the workingmen who quit work as a rule at 5 o'clock. The Sunday hour is also more convenient, but it is not intimated whether if the ocean steamers arrive outside of office hours the same courtesies will be extended to which we have hitherto been accustomed.

The Senate Committee on privileges and elections has made an adverse report on the House Joint resolution providing for the election of United States Senators by the direct vote of the people instead of by the State Legislatures. The same committee, however, supports Senator Hoar's bill providing that a plurality may elect if a majority is not obtainable. This amendment aims at breaking down deadlocks.

The launching of the grand steamer *Sierra* from Cramp's yard marks a new era in our Pacific Trade. She is one of the trinity of steamers which the Oceanic S. S. Co., are having built to operate between San Francisco, Hawaii, Samoa and Australasia and is expected to go into commission in September or October next. She is a 17 knot steamer with a displacement of 7000 tons and one of the largest passenger carriers constructed at Cramp's.

Edmund P. Dole has again presented us with another of his charming books. It is called "Hiwa, a Tale of Ancient Hawaii" and its scenic descriptions are as accurate as they are beautiful. Hiwa is a goddess queen of Hawaii during legendary times and the tale is a pathetic one of love, war, treachery and self sacrifice ably and picturesquely drawn. There is a glossary of Hawaiian words appended, and when it is said that Harpers are the publishers it is unnecessary to say that typographically and artistically it is a triumph of modern printing.

Lord Salisbury, the British premier, has once again shown that there is no hope for the Boers. In a speech in London on May 29th he emphatically outlined his policy by saying: "Our only certainty of preventing a recurrence of this fearful war is to ensure that never again shall such vast accumulations of armaments occur, and that not a shred of the former independence of the republics shall remain." May not this policy, sooner or later, act as a precedent for the United States in dealing with the countries acquired from Spain by war, for political promises are not invariably the most reliable.

For the Primaries.

The Merchant's Exchange laid in a fine stock of necessary material for the holding of the primaries, and conventions. Try the superfine liquors kept on hand for the consumption of customers and you will come out a winner. No charges to those who belong to the right party.

Central Union Picnic.

The annual picnic of the Central Union Church and Sunday School on Oahu College Campus yesterday was attended by some 1200 persons, and was a phenomenal success thanks to the unselfish exertions of the members of the several committees. The boys of Palama Chapel defeated those of Oahu College by 6 to 5 at baseball after a capital game.

Hawaiians Meet.

There was a large number of Hawaiians at the mass meeting of the Independents on Saturday night outside the drill shed. The principal speakers were Kalaupokalani who acted as chairman, R. W. Wilcox, J. K. Kaulia and John H. Wise who spoke in English.

Eloquent words were spoken to the people and Wise was applauded when he referred to the carpet-baggers who landed on this beach with an empty sack and now drive around behind fast horses and live in Roman mansions. Mr. Wise did not state to whom he was referring but the audience evidently knew all about it. The "missionary" politician will find no favor with the Independents.

The Kamehameha's Open Their Club House.

Last evening the Kamehameha Alumni Association opened their handsome and comfortable club house on Fort Street, the building was tastefully decorated.

James Harbottle Hakuole presided and introduced Hon. W. O. Smith who delivered the dedicatory address and handed over the keys to the president elect William O. Crowell. An interesting musical program with speeches was followed by refreshments.

The following officers will be installed on Friday evening: William O. Crowell, president; Thomas Tredway, recording secretary; Moleo Huhu, corresponding secretary; Jas. Harbottle Hakuole, treasurer.

KAMEHAMEHA RACES

A Brilliant Day on the Old Race Track.

FOUR THOUSAND PEOPLE APPLAUD THE WINNERS.

Our space allows us only to mention the winners in the races which took place on the 9th and 11th inst. We might say a great deal and enter some pertinent criticism, but we feel simply like saying that everything was lovely.

Then of course we cannot stop and we beg to state that there have been no public races better conducted since 1882, than those of yesterday. The officers of the Jockey Club are to be congratulated upon their success. Most of them were "green" but every one was a gentleman and up to his task.

Thanks are due to the officers of the club. Thanks, not alone from the press but from every citizen who planked down an admission fee. We are bound to kick of course and we know that the management will try to improve the Jockey Club stand, and remove the band which tried to blow the ear off those who listened to Captain Tripp's decisions.

We think the judges are O. K. but we fail to see why the merchant marine should always be drawn upon when a question of horse racing is concerned. When a ship is grounded on the reef here no horsemen are selected to decide the damages or the insurance. It is generally left to men familiar with the sailing of vessels. Why a different course should be adopted in horse races is a puzzle.

Everything was lovely, however, and the audience even accepted the decision in the Weller race without a visible murmur. That matter has to be settled elsewhere, however, or something will drop as far as our local club is concerned.

Take that band away! The grand stand is elegant; the Jockey Club room will be made alright, and the press has the finest booth on the track; but do stop Berger's noise under the roof of the grand stand. We enjoyed the band, when not on the stand; we enjoyed the beer when the Marshal stopped the sale of it; we relished Paul Ikenburg's champagne when he failed to get a bottle in which to drink his toast, and we did enjoy the races, the crowd attending them and the foresight of the directing officers.

There was no delay between races. There was only one dispute, and around good will reigned supreme, the best horse won (the one we bet on) and fair play was the motto of officers and audience.

We make a brief mention of the winners and take special pleasure in congratulating McAuliffe on the excellent style in which he handled our old friend Antidote on Saturday as well as on Monday. We are also pleased to see that the Rosita Challenge Cup has disappeared at last, the time of Angie A. 1:45½ being beaten by Vioris in 1:45. It was in 1886 when Agnew's Angie A. beat the time of Colonel Spaulding's Rosita, and every year an attempt has been made in vain to break the record, until yesterday Prince David's horse did the trick and took the cup home.

These are the winners:

Court Notes.

S. K. Kane, trustee, has filed his answer to the suit of Miriam Paleuli Amalu vs. Mary Pahau Kamiki et al. He represents that he is only a trustee for one Deborah K. Pahau and is not otherwise interested.

Henry Smith was Thursday morning appointed by Acting Judge Davis as guardian of the persons and estate of the minor children of one Kahane, late of Ewa, Oahu, under \$4000 bond. Wm. Lea, uncle of the children, made the petition that he be appointed, but the Court thought otherwise.

Hearing on the master's report on the second and third annual accounts in the estate of the J. L. Blasdell minors was held Thursday morning before Judge Stanley, no objection being offered, the report was confirmed and trustee's accounts approved, but surcharges the trustee with \$12.57 overcharged commission. J. A. Magoon, trustee, in person.

The accounts of Raymond Reyes, guardian of David Cailihan, a minor, was examined and approved by Judge Stanley Thursday morning.

In the matter of the guardianship of Antonia Long, a minor, the report of P. D. Kellett, master, has been filed on the account of F. A. Schaefer, filed July 31, for the year ending December 31, 1898; also a similar report of the account of the guardian filed March 22, 1900, for the year ending December 31, 1899. The commission of the guardian in each case shows a small overcharge, based on accounts upon which no commission should be charged.

Counsel in the damage suit of Louis Saulsbury of the Hogan Minstrels Co., against the Canadian-Australian R. M. S. S. Co., agreed on May 29, that the testimony of the plaintiff would be taken as evidence at the trial of the case. The stipulation was filed Thursday.

Sidney Smith has filed a petition for letters of administration on the estate of Thos. E. Cavanaugh, deceased, to issue to him. He states that the deceased died on the 4th instant and leaves real estate situate at Kainaliu, North Kona, Hawaii, valued at about \$2000 and \$38 in personal property. As heirs he leaves four uncles, viz: Henry Hall, of Hamakua, aged about 50 years; Gilbert Hall, about 45 years, Chas. Hall, about 43 years and Samuel Hall, about 40 years, all residents of Kona, and an aunt, Mrs. Rebecca Weeks, aged about 55 years, also of Kona, and numerous cousins, the petitioner being one of them. J. T. DeBolt for petitioner.

Judge Stanley has signed an order confirming commissioner's sale of real estate of the partition matter of Rita C. Tewksbury vs. Autone G. Cunha et al. The property on School street was sold last Saturday to Eleanor B. Wood for \$15,200. Expenses of sale came to \$463.50, leaving a neat balance of \$14,736.50 for distribution amongst the four heirs.

In the petition for allowance of accounts and discharge of the administrator, T. R. Mossman, of the estate of Puanaiwi, deceased, the accounts has been referred to J. A. Thompson as master for examination and report. P. L. Weaver for petitioner.

Henry Holmes has been appointed by Acting Judge Davis as guardian of the estate of Bertha Emilie Luise Larz, a minor, upon his filing an approved bond in the sum of \$1000. The petition was made by William Larz, father. Henry Holmes for petitioner.

Judge Davis also appointed Frederick Washington Macfarlane, the petitioner, as guardian of the estate of Frederick Walter, Alice Mary and Guy Elliott Macfarlane, his minor children, upon filing an approved bond in the sum of \$6,000. Henry Holmes for petitioner.

[The above matters are in connection with the Widemann estate, the minors being devisees under the will since the demise of Mrs. Widemann.]

A stipulation has been filed by the respective counsel in Keaumoku (w.) vs. F. Wundenberg to have the cause

tried on Friday, the 15th instant. A. G. Correa for plaintiff; J. Alfred Magoon and I. M. Long for defendant.
