The REV. DR. THOMAS, of Hong Kong, China, says: "PARDEE'S REMEDY is a wonderful medicine for the Blood. I have prescribed it hundreds of times for Leprosy, and when given in time it always cured the patient. I can safely say that Leprosy will never break out on persons who take PARDEE'S REMEDY regularly, and I advise all persons living in countries where Leprosy is prevalent to take PARDEE'S REMEDY as a preventive."

In actual Surplus (namely the excess of ac-cumulated funds over liabilities); in Premium Income; in the amount of Assurance in force on its books, the Equitable Life Assurance Society of the United States exceeds every other life assurance company, and may be justly regarded as the largest and strongest life as-surance organization in the World.

EXAMPLE

Of Policy No. 67,389. Life. Issued Jan. 22, 1872, on the life of W. H. C. Date of expiration Jan. 22, 1887. Amount of Policy, \$10,000. Tontine Period, 15 years. Age 53. Annual Premium, \$543.10.

Total premiums paul in 15 years, - \$8,146.50

1. CASH VALUE, Consisting of Reserve, \$3.856.30 and Surplus, 4,199.80

- \$9.056.10 2. PAID-UP VALUE. . . . \$13,040,00

If the policy-holder select this settlement, as the paid-up value is larger than the original amount of assurance, a satisfactory certificate of good health must be furnished, or the excess

must be drawn on a cash basis.

3. CASH SURPLUS, - . \$5,199.80 Under this settlement, the policy holder withdraws the surplus i cash, and retains the original policy, continuing the payment of premiums, less annual divi-dends.

Three options are available under this Policy.

The policies with 10-year Tontine periods do not show results as satisfactory as those above given. Policies with 20-year periods, on the other hand, will show much larger re-sults than those with 15-year periods; but for purposes of illustration the 15-year policies— those of the intermediate period—are given as fair illustrations. fair illustrations.

The longer period of accumulation which the 20-year policies enjoy renders them the most desirable for those who, seeking absolute protection at the lowest "Life" rate, desire also the largest returns in case they liver

Hence the Best Free Tontine "Ordinary Life" Policy is One with a TWENTY-YEARTONTINE PERIOD

The Free Tontine Policy of the Equitable Life Assurance Society is unrestricted after one year, incontestable after two years, and is then PAYABLE in the event of death, immediately upon the receipt of satisfactory proofs of death.

It guarantees a full share of the surplus earned, and being issued by a Society holding a

Larger Surplus than any other Assurance Company,

May be expected to show larger profits than the policies of any other company.

In addition to the advantages above cited, the Equitable now goarantees a full return of all premiums paid as well as the face of the Policy in case of death during the Tontine period.
