Jap. Comm.

January 27, 1943

MEMORANDUM FOR GENERAL GULLION:

I have reviewed the memorandum prepared by Colonel Glassford on the conference held in Mr. McCloy's office on January 2. The facts as stated in the memorandum, according to my recollection, are correct. However, you will note I have made two changes, one of which does amplify the statement which I am given credit for making, with reference to the battalion of Japanese now being trained for combat.
