

2 (USN MGU Leprosaria, Insane Asylums and Orphanages)

- (a) The corpsman who has served on the Leper colony for 5 years decided to quit, and return to his village. He was free from leprosy and was permitted to go. A new man was placed in his position.
- (b) One of the leprous women delivered during the month; no one from her village was willing to take the baby and the father was unknown so the only recourse was to leave the baby with the mother.
