<b>Pilina Ulana</b> (HPS Notes/Commentary)	<p>Established in 2000, HPS has endeavored to document and share the <i>mana‘o</i> and <i>‘ike</i> of our <i>kūpuna hula</i>. The foundational work in video-based, one-on-one oral histories quickly expanded to include community programs organized by HPS that brought our kūpuna to the people, and helped publicly recognize and share cherished hula masters, their lineages, and life experiences.</p> <p>This kūpuna panel was held at the Bishop Museum in conjunction with the Museum’s landmark hula exhibit, which HPS had the pleasure of contributing to. The one-day festival entitled "Ku‘u One Hānau" featured this public program by HPS and is representative of our community programs in the first decade.</p>
