Dear Reader,

We are sorry to inform you that this could be your last issue of Ti Progresibo.

We can not afford to send out Ti Progresibo free to everyone. Our dwindling funds, rising production and mailing costs prevents us from doing so.

For those of you who don't have a paid subscription please send one in.

\$3.50 is a small amount. But it helps sustain us, and you contribute in advancing our community's struggle for its rights.

The deadline is January 15, 1983 and after that you will be discontinued from our mailing list.

This notice does not affect our paid subscribers. We will notify you when your subscription is running out.

Salamat and Mahalo,

The Staff of Ti Progresibo
